|   |                             |
|---|-----------------------------|
| What was your grade on this Exam/Quiz?  | _____points _____percentage |
| How many computer graded questions did you get wrong?                             | _____                       |
| How many instructor graded questions did you get wrong or receive partial credit? | _____                       |

1. Write the entire question.
  
  
  
  
  
  
  
  
  
  
2. Write your answer.
  
  
  
  
  
  
  
  
  
  
3. What is the correct answer?
  
  
  
  
  
  
  
  
  
  
4. Why was your answer wrong? Why is the correct answer a better choice? Do you know why you made the mistake? Do you understand the question and answer now? **(include all of these points in your explanation)**

5. Where did you look to find the correct answer?

- a. In my binder, on the handout/worksheet titled \_\_\_\_\_
- b. In my journal, on the page with the header date \_\_\_\_\_
- c. In my vocabulary journal on the page that has \_\_\_\_\_
- d. Other: \_\_\_\_\_

(Do not use the "other" space, unless a., b., or c., have nothing to do with this correction)
