HOW TO USE THIS **STUDY WALL PLANNER**

It's important to plan out your studies so that you always know what you are studying towards and keep momentum going to progress through your CIMA qualification.

STUDENTS STUDYING THE CIMA PROFESSIONAL QUALIFICATION

Use this wall planner to help you plan which of the case study windows you want to take your exam in. This will help you to focus on the end goal and give you the motivation to pass your objective test exams.

Keep a track of when the exam entry closing dates are as you don't want to miss out on sitting the case study exam when you plan to.

The other important dates for you to consider are the pre-seen material release dates – this is an important resource for your case study exam preparation and you'll find this, as well as other useful resources, on CIMAconnect.

STUDENTS STUDYING THE CIMA CERTIFICATE IN BUSINESS ACCOUNTING (CERT BA)

All Cert BA objective tests are on demand so you can schedule and sit them according to your own study plan. Use this wall planner to mark on your scheduled exams and then you can see how much time you have to study and revise for each exam.

You can sit the Cert BA objective tests in any order that you like. Visit the Certificate level home page on CIMAconnect for more information: **connect.cimaglobal.com**.
