POOLE & CHRISTCHURCH BAYS SHORELINE MANAGEMENT PLAN (SMP2) REVIEW

STAKEHOLDER QUESTIONNAIRE 2008

HURST SPIT TO DURLSTON HEAD (including Poole & Christchurch Harbours) SMP

In order to ensure that the Shoreline Management Plan fully reflects the activities and issues along the coastline and within the harbours, the team needs to work with the most up to date information that is available.

If you have information, concerns or comments to make that you feel may be relevant, please complete this form and return it to the address given on the last page.

Alternatively you could complete the online form at www.twobays.net

KEY STAKEHOLDER GROUP

The Key Stakeholder Group (KSG) acts as focal point for discussion and consultation through development of the SMP. The membership of the group will provide representation of the primary interests within the study area, ensuring consideration of all interests during the review of issues. Inclusion of this group offers a more participatory process.

Roles and Responsibilities will include:

- Suggesting issues and their priorities to be considered within the SMP.
- Receiving reports and draft proposals from the Client Steering Group/Consultant.
- Meeting periodically throughout the production of the SMP.
- Providing comment on proposals being made by the Client Steering Group/Consultant.

The Client Steering Group is seeking a representative from each primary interest group to form the membership of the KSG. If you would like to be considered as a member of the KSG then please indicate by ticking the box that best represents your interest group. Please be aware that this expression of interest will not guarantee your inclusion in the group.
