It's that simple! If you try to think for a moment why you would need these, you will realize that you can use them for almost anything. The templates are fun, feature the best design and can beautify your next small project the best way you want it. Here are some thoughts on where you can use them:

- These are great for children, as they can keep the mind of a child occupied into constructive activities. Once you download the template, print the leaf on as many or as little whitepapers as you like and have the children paint them using crayons or thin paint.
- Do you remember the last time you sent a love [letter](#)? You actually included a heart template on the letter and sent it to your significant other. You can download the leaf template, customize it, and then pin or paste it somewhere on the [sample letter](#) then send the person that you love. Make sure the message is friendly.
- You can even use these ones for room decoration. You can use these to decorate the living room, the bedroom, the office room or classroom.

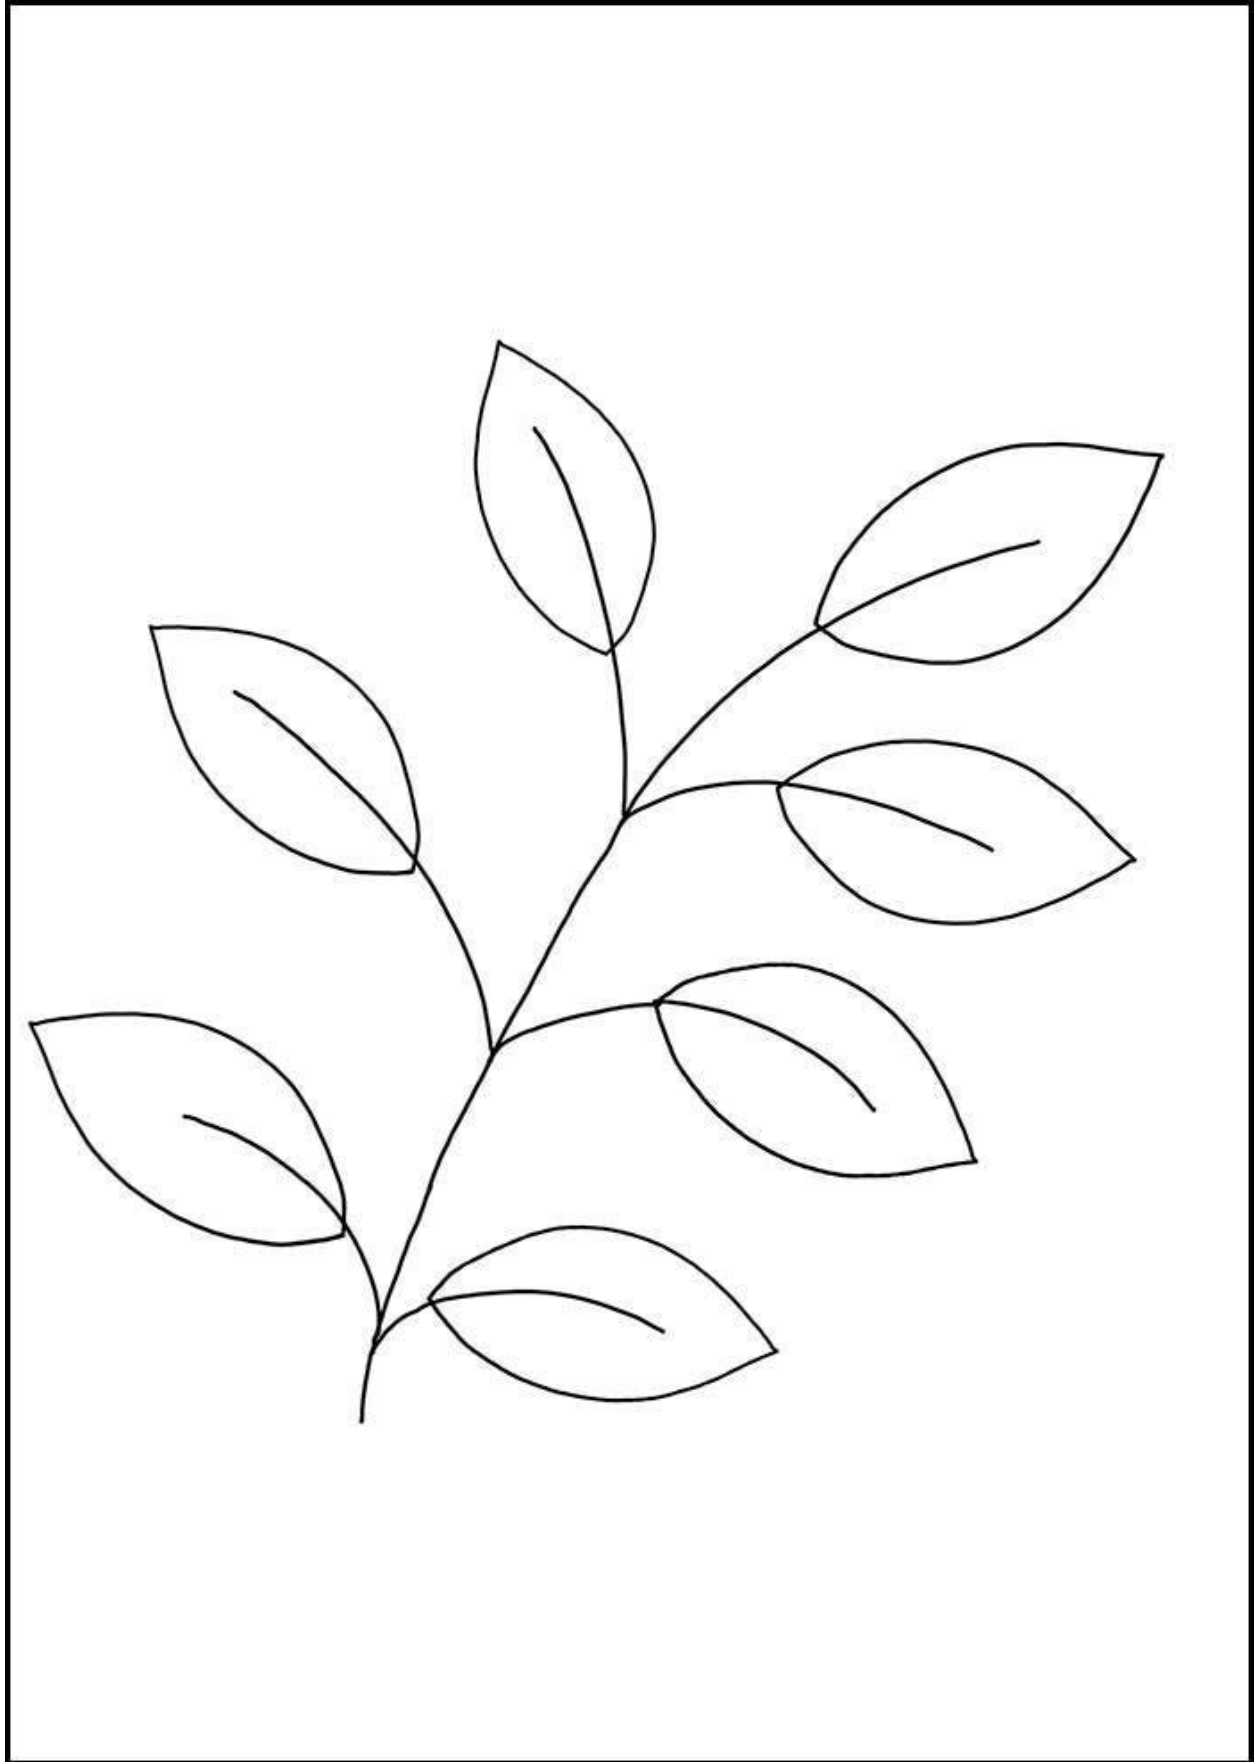

You can always think of new ways to use the templates. The above are just suggestions.
