## M. Zain ul Abdeen

Graphic Designer

I am writing to express a strong interest in the position of Graphic Designer. Since I possess the creative acumen to come up with different ideas as well as a business sense to manage both corporate and individual clients, I am confident that I have much expertise to offer to your organization.

I hold a Bachelor in Mass Communication Degree and have a total work experience of 5+ years. I am well versed in different areas of design and have successfully designed solutions for print media and websites. My key duties and responsibilities include, among others, the following:

- Design applications like Adobe Photoshop, Illustrator and InDesign, Adobe Acrobat
- Professional.
- Website Mockup design, Landing page design and Wordpress Customization.
- Branding, layout, color and typography for both digital and print media.
- Working with different types of media, including computer aided design, or CAD.
- Meeting clients to discuss the objectives and requirements.
- Understanding the client's needs and developing suitable concepts.
- Estimating the amount of time needed to complete projects.
- Photography, Videoediting & Digital Marketing

Please have a look at my resume and contact me with further interest.

Sincerely,

M. Zain ul Abdeen

## ABOUT ME

I am a Graphic Designer and Photographer - highly developed skills in graphic designing. Defined as adaptable, ambitious, self-motivated, confident and down to earth individual - combined with a limitless imagination and creative drive.

I want to attain the position of "Graphic Designer" in your organization where I can utilize my creative and innovative skills in designing, thereby adding to the development of the organization.

My passion for design is much more than sitting at a computer making ugly things look beautiful, design is to inspire and broaden minds with my work.
