

WORKPLACE BASED TRAINING PLAN

TAE50111 Diploma of Vocational Education and Training + TAE50211 Diploma of Design and Development and BSB51615 Diploma of Quality Auditing _ Dual

PLEASE READ BEFORE COMMENCING ON YOUR UNITS

This **Training Plan** is a document developed by Line Management Institute of Training the Registered Training Organisation (RTO). It outlines which unit to commence on first. It is customised within the qualification packaging guidelines to accommodate the individual needs of the student, and to provide enough details to assist students to meet their obligations under the Training agreement.

Understanding this **Training Plan**.

Part I includes the selected units of competency as discussed during the enrolment application process.

<i>RTO</i>	Line Management Institute of Training
<i>Qualification(s)</i>	TAE50111 Diploma of Vocational Education and Training + TAE50211 Diploma of Design and Development + BSB51615 Diploma of Quality Auditing
