General Purpose: To demonstrate

Specific Purpose: To demonstrate to the audience how to make Unicorn Poop cookies.

Topic: Unicorn Poop Cookies

- I. First you need to gather the materials.
 - A. The ingredients you will need are butter/margarine, cream cheese, shortening, white sugar, salt, an egg, vanilla extract, flour, food coloring, decorating sprinkles, Wilton's sparkle gel, a brush, wax paper, a knife, and food coloring.
 - B. Most of these items can be found at Wal-Mart.
 - C. The special decorating sprinkles and gel can be bought at Hobby Lobby, where I got them.
- II. Next, the batter needs to be made.
 - A. Combine 1 stick butter, 3 oz. cream cheese, and $\frac{1}{2}$ cup shortening and then mix them together.
 - B. Next add $\frac{2}{3}$ -cup sugar and $\frac{1}{2}$ tsp. of salt and then mix it together.
 - C. Then add one egg and a $\frac{1}{2}$ tsp. of vanilla extract and mix it together.
 - D. Lastly, gradually add 2 cups of flour.
- III. The next step is coloring the dough.
 - A. Take the dough and cut it into however many colors you want to use, I used five.
 - B. Then separate the pieces into bowls.
 - C. Add the appropriate amount of food coloring (usually found on box/bottle) and mix it into the dough.
 - D. Take each colored ball of dough and cut it into eight pieces.
 - E. Put all the dough in the refrigerator to cool for at least 15 minutes.
- IV. Form the dough into cookies and prep to cook.
 - A. Roll out the colors
 1. Take one piece of each color of dough.
 2. Roll each piece out into a thin strip.
 3. Roll all the strips together to form a sort of "log" of color.
 - B. Form the cookies.
 1. Cut the log into three pieces.
 2. Stretch the log out and twist the dough.
 3. Then shape the dough into a "poop" shape.
 - C. Add any sprinkles to the dough.
- V. Bake the cookies.
 - A. Bake the cookies at 375° for 8-10 minutes.
 - B. Take out of the oven and let cool for 5-10 minutes.
- VI. Add the sparkle gel for the finishing touch.
 - A. Squeeze some sparkle gel onto the cookie.

- B. Spread around with brush until evenly distributed.
- C. Allow time to dry.
