Lesson Plan for Preschoolers 3-5 yr olds

You and your partners will create a lesson plan for a preschool class based on a theme (not ABCs, 1,2,3s, colors). Complete the questions and directions for each section of the plan. When you are finished, you will have:

- Answered the lesson plan questions all related to your theme!
- Created an example of or a picture of your art project
- Written the title and words for your song on a separate piece of paper
- Drawn a picture of your bulletin board

You and your partner will present your lesson plan to the class.

A. Theme:

B. Objective: What do you want the children to learn?

C. Introduction: How will you introduce your theme to the children?

D. 5 Stations: Design and describe 5 stations, that relate to your theme which use both large and small motor skills. What will they do at the station and what skills will they use and learn?

1.

2.

3.

4.

5.

E. Snack: What nutritious snack will you buy or make related to your theme? If you will make it include the recipe. Cookies are NOT nutritious!

F. Art project: Design and describe your theme related art project. Then create an example project or draw a picture of what it might look like.

G. Music: List the song you will sing that relates to your theme.
Write down the words on a separate piece of paper.

H. Bulletin board: Design and describe a bulletin board related to your theme.
