

STATEMENT OF UNDERSTANDING

“CRITERIA FOR A MAINTENANCE AND REPAIR BUSINESS TAX RECEIPT

A maintenance and Repair tax receipt does not allow an individual, corporation, or a Partnership to enter into the repair, installation, or construction of the building trades (Construction, electrical, plumbing, painting, roofing, maintenance of equipment, etc...).

A Maintenance and Repair tax receipt is only for individuals and does not refer to a business establishment. A Maintenance and Repair tax receipt refers to minor help around a residence: haul trash, clean out garages, transplant or trim shrubs, repair doors and screens, etc... The tax receipt does not include electrical, plumbing (any building trade), or conduct of a lawn service business. A Maintenance and Repair tax receipt is very restricted in nature.

I have read the above criteria concerning a Maintenance and Repair tax receipt and am fully aware of the restrictions placed upon my license.
