

Re: Request for letter of recommendation for

Dear Colleague,

The student indicated above has applied for a PhD position at the Institute for Research in Biomedicine in Barcelona and has been asked to forward this letter to you requesting a letter of recommendation. We would be grateful if you could give us your opinion about the suitability of the candidate as a PhD student. Please, indicate your relation with the student and evaluate the applicant according to the following criteria: theoretical knowledge, technical proficiency, interaction with colleagues, adaptability and flexibility, motivation and commitment, ability to work independently and communication skills.

Please include an overall rating, from 1 (lowest) to 10 (highest) of all the students you have encountered, and indicate the time period in which you interacted with the student and in which capacity (as a teacher, advisor, employer, etc.).

Your letter of reference should be sent by clicking directly into an automatic email you may have received or via e-mail before 25 February 2016, to the address indicated below. Thank you in advance for your help.

Yours sincerely,

Patricia Nadal Jordà
