Resume

OBJECTIVE

Contribute to an all around construction team effort with specialty skills as a /Cabinet Maker/ Installer/Finish carpenter and all around rough carpenter in commercial and residential construction and maintenance.

SUMMARY

*** + years progressive experience as a / Cabinet Maker / Installer / Finish carpenter and finisher in commercial and residential buildings. Work sites in California, Nevada, Hawaii, Florida and Europe (France). Being a 4th generation Cabinet maker/Installer/ Finish Carpenter and finisher, I learned the trade at a very early age while assisting my father in running his business. I attended a 3 year apprenticeship program at a European trade school. Having hands on experience on all phases of rough carpentry, I specialize in cabinet making / installation / finish carpentry and refinishing.
