## SUMMARY

Passionate, personable and creative golf teacher/coach, with proven success working with players of all levels, seeks a position as Director of Instruction with an elite golf course where his years of experience and professional expertise as a PGA Golf Professional can enhance club members' enjoyment of the game, their experience at the course and the overall success of the golf club.

## STRENGTHS & PHILOSOPHY

- Passionate and driven to be a great teacher/coach and communicator in the game of golf.
- Motivated by seeing his students/members not only improve, but enjoy and play golf more.
- Knowledgeable in all techniques and methods of golf instruction, with an eclectic teaching/coaching style and philosophy.
- Actively seeks out how each individual learns and how to strengthen their game, knowing that each player is unique in how they learn and progress.
- Unique as a golf teacher/coach in being able to play with students/members of all levels. This is important for the efficient transfer of practicing on the range to playing on the course.
- Continually works on improving his own skills as a competitive golfer, which strengthens his ability to relate to students/members and their struggles and challenges in playing golf.
- Enjoys and understands the importance of entertaining members and their guests regularly throughout the year, actively participating and networking with the community through golf outings, clinics, and local, national and international Pro-Ams.

## EXPERIENCE

- Has given over 18,000 lessons in the last 16 years at Arroyo del Oso Golf Course.
- Started, developed and continues to grow the Bill Harvey's Women's Academy and Juniors Academy over the last six years. The Academy runs from April through October. Each Academy consists of about 20 participants, meeting weekly as a group and monthly for private lessons. The Juniors' Academy is focused more on competitive, advanced players, with many participants placing well in their State High School tournaments.
- Has over 18 years experience in utilizing video swing analysis, and was the first Professional in the Sun Country PGA section to use the C-Swing program. More recently, incorporated the V1 Golf app for iPhones and iPads.
- Publishes a monthly newsletter, *Outside-the-Box Golf*, to inform students/members about changes to rules, new products, clinics, and events and to report on his own challenges and successes on the golf course as well as those of his students/members.
- Placed over 20 Juniors into college programs and continues to work with many of them throughout their college careers.
- Golf Coach to Katie Kempter, LPGA and Symetra Tour player. Started work with Katie when she was in 7th grade, continued to work with her through college, and then coached/caddied her to 2nd place finish at the 2011 LPGA Q School.
