Group Goal Chart

The Responsible Fundraising Goal Chart provides a way to forecast individual sales to attain group's goal.

Instructions:

Step 1: Enter the total # of units needed to sell of each product in "# to Sell" column.

Step 2: Calculate your group's total by multiplying "# to Sell" by "Your 50% Profit."

Step 3: Enter group's total in "Total" column.

Be Safe. Be Prepared.

Individual Sales Forecast Report

This report is designed to assist the group's leader in determining how the group can reach its fundraising goal in conjunction with the individual sales forecast report.

Instructions:

Step 1: Each individual complete this sales forecast report indicating what they plan to sell.

Step 2: The fundraising coordinator will consolidate the individual sales forecast report on the "Group's Goal Chart" to calculate funds to be raised.

Be Safe. Be Prepared.
