

## Preschool and Pre-Kindergarten Lesson Plan

Season: Spring

Unit: Up in the Clouds

Week:

Skill Area	Monday	Tuesday	Wednesday	Thursday	Friday
Language Development	<u>Cloud Dance</u> by: Thomas Locker	<u>Harold's Trip to the Sky</u> by: Crockett Johnson	<u>The Storm Book</u> by: Charlotte Zolotow	<u>The Sun is My Favorite Star</u> by: Frank Asch	<u>Moongame</u> by: Frank Asch
Math	Counting Clouds obj: to count using cotton balls and one to one correspondence	Stars and Numbers obj: to match objects and written numerals	Opposites in the Sky obj: to pair opposite objects using pictures	How big is the Sun? obj: to use tape measures to measure round objects	Sequencing the Phases of the Moon obj: to place objects in order according to new knowledge
Estimation Jar: Cotton Balls, Raindrop Shapes, or Star Cookie Cutters					
Literacy	Clouds Feel Like... obj: to use creative thought and descriptive words	Up in the Sky, I see... obj: to express and share observations	Stormy Words obj: to create a list of words related to storms	Sun Ray Letters obj: to create letters using construction paper sun rays	One Night... obj: to write a group story
Letter of the Week: Q is for Quilt, Quick, and Quiet					
Creative Arts: A.M.	Cotton Ball Creations obj: to create art using glue and cotton balls	Crayon Resist Sky Drawings obj: to explore crayons and paint while creating a drawing of the sky	Storm Mural obj: to participate in a group art project	Torn Paper Suns obj: to create using colored construction paper and glue	Nighttime Pictures obj: to create night scenes using only white chalk or crayons
Small Group	Marshmallow Buildings obj: to create buildings in a group project using marshmallow and toothpicks	Counting Stars obj: to count from 1 to 50	Measuring Rain obj: to use measurement skills in a new way	Hot and Cold obj: to sort objects or pictures according to temperature	At night... obj: to brainstorm and create a list what is seen at night
Creative Arts: P.M.	Puffy Clouds obj: to create using shaving cream, glue & paint brushes	Star Prints obj: to create prints using paint and cookie cutters	Yarn Lightning Strikes obj: to create lightning strikes with yarn and glue	Sun Fingerpaintings obj: to create using yellow and orange fingerpaint	Moon Cuttings obj: to demonstrate scissor skills by cutting shapes
Science	Shaving Cream Exploration obj: to explore textures in a creative way	I Spy obj: to use the sense of sight to play a game	What's That Noise? obj: to identify sounds	Shadows obj: to explore cause and effect using the sun	Flashlight Fun obj: to explore the effects of flashlights in the darkness
Music and Movement	"Rainstorm" obj: to participate in a new group game/activity	"Starlight, Starbright" obj: to practice rhyming words in a theme related poem	"Thunderstorm" obj: to learn a new fingerplay	"Oh Mr. Sun" obj: to pair actions with song	"Mr. Moon" obj: to sing a new theme related song
Home/School Connection	Take a walk at night and make observations, discuss your observations. Talk about the changes between the day and night sky!				

# Preschool and Pre-Kindergarten Lesson Plan

Season: Spring

Unit: St. Patrick's Day

Week:

Skill Area	Monday	Tuesday	Wednesday	Thursday	Friday
Language Development	<u>The Night Before St. Patrick's Day</u> by: Natasha Wing	<u>St. Patrick's Day</u> by: Anne Rockwell	<u>St. Patrick's Day</u> by: Carmen Bredeson	<u>St. Patrick's Day Alphabet</u> by: Beverly Barras Vidirine	<u>That's What Leprechauns Do</u> by: Eve Bunting
Math	Counting Shamrocks obj: to count objects	Shamrock Sizes obj: to group items according to size	Gold Coins in the Pot obj: to match objects to numerals	How Many Letters in that Word? obj: to count letters in specific words	Shamrock, Shamrock, Leprechaun obj: to create, copy and extend patterns
Estimation Jar: Clovers, Gold Coins, Pieces of Green Paper					
Literacy	On St. Patrick's Day obj: to use creative thought to finish a sentence	Green Things obj: to pair words with pictures of specific objects	Stamped Letters obj: to use stampers to create letters	Gold Letters obj: to practice writing letters using a unique color	Leprechauns... obj: to share words that describe an object while participating in a group
Letter of the Week:					
Creative Arts: A.M.	Hearts Make a Shamrock obj: to demonstrate scissor skills	Green Collages obj: to create using various materials in only one color	Green Pepper Stamping obj: to create shamrocks using a food item	Gold Foil Letters obj: to create letters using gold foil	My Leprechaun obj: to draw a picture using creativity
Small Group	Shamrock Puzzles obj: to use parts to create a whole	Planting Project obj: to plant seeds and begin a long term project	Green Noodle Necklaces obj: to practice fine motor skills while creating a necklace	Upper and Lower Case Match obj: to work on letter identification	I Spy obj: to play a game while in a small group setting
Creative Arts: P.M.	Torn Paper Rainbows obj: to create using construction paper and glue	My Book of Planting obj: to record and draw first stage of planting project	Shamrocks From 3 Cans obj: to create an object using unique painting tools	Shiny Shamrocks obj: to explore using paint, paper and corn syrup	Leprechaun Footprints obj: to create using body parts
Science	Coffee Filters and Eye Droppers obj: to explore cause and effect	Yellow and Blue Make... obj: to explore cause and effect	Green Pepper Exploration obj: to explore the inside and outside of a food item	Where's the Gold? obj: to search for and find hidden objects in the sensory table	Potato in Water obj: to explore food items in a new way
Music and Movement	"I'm a Little Leprechaun" obj: to learn a new rhyme	"Do Your Ears Point Up" obj: to explore rhyming words in a song	"Five Green Shamrocks" obj: to learn a new fingerplay	St. Patrick's Day Parade obj: to participate as a member of a group	Catch Him If You Can obj: to pair words with motions
Home/School Connection	Search for green...point it out! Spend some time looking in the grass for 4 leaf clovers!				

# Preschool and Pre-Kindergarten Lesson Plan

Season: Spring

Unit: Wild West

Week:

Skill Area	Monday	Tuesday	Wednesday	Thursday	Friday
Language Development	<u>Best Alphabet Book in the Wild West</u> by: Gary Bennett	<u>Cowboy Small</u> by: Lois Lenski	<u>Cowboy Camp</u> by: Tami Sauer	<u>Lasso Lou and Cowboy McCoy</u> by: Barbara Larman Failing	<u>B is for Buckaroo</u> by: Louise Doak Whitney
Math	Letter Match obj: to match upper and lower case letters	Big and Small Boots obj: to sort objects according to size	Counting Horseshoes obj: to count objects using one to one correspondence	How Long is that Rope? obj: to use tools to measure objects	How Many Letters in Your Name? obj: to count written letters
Estimation Jar: Horseshoes, Boots, Corn Kernels					
Literacy	Letters in the Sand obj: to demonstrate fine motor control	Cowboys... obj: to complete a thought and pair with pictures	Hay Letters obj: to create letters using a textured material	Rope Letters obj: to create letters using rope or string	B...is for...Buckaroo obj: to pair beginning sounds with words
Letter of the Week: X is for Xylophone and X-Ray					
Creative Arts: A.M.	Sandy Letter Print obj: to create using letter stampers, paint & sand	Stomping Feet Art obj: to create using a body part	Horse Shoes, Horse Shoes obj: to demonstrate Tracing and cutting skills	Rope Art obj: to create using "rope" and glue	Desert Mural obj: to create art as a member of a group
Small Group	Corn Pass obj: to demonstrate fine motor skills using tweezers and corn	Building a Campfire obj: to use food items to create	Cowboy Hat Matching obj: to match items based on specific characteristics	Lacing In and Out obj: to increase fine motor skills	Cowboy Bingo obj: to participate in a small group game
Creative Arts: P.M.	Sandpaper Letter Rubbings obj: to explore cause and effect while creating art	Campfire Marble Painting Art obj: to demonstrate creative expression using marbles	Horse Prints in Playdough obj: to explore cause and effect while creating	Dreamcatchers obj: to use various materials to create	Bandana Art obj: to use only 2 colors to create
Science	Rough and Smooth obj: to explore textures using new materials	Digging for Gold obj: to search for and find hidden objects	Creating Trail Mix obj: to mix and measure ingredients to create a snack	Planting Project: Observations obj: to record observations of planting a seed project	Under/Over obj: to explore position words using a bandana
Music and Movement	Pass the Cowboy Hat obj: to follow directions and play a group game	"The Little Cowboy Song" obj: to learn a new theme related song	Stick Horse Races obj: to participate in a group game	Rope It obj: to practice throwing with accuracy	"I've Been Riding on the Range All Day" obj: to practice rhyming words in a song
Home/School Connection	Visit a working mill or a working farm and talk about the similarities between what they see and what they have learned during Wild West Week!				

# Preschool and Pre-Kindergarten Lesson Plan

Season: Spring

Unit: The Works of Audrey Wood

Week:

Skill Area	Monday	Tuesday	Wednesday	Thursday	Friday
Language Development	<u>Silly Sally</u> by: Audrey Wood	<u>Piggies</u> by: Audrey Wood	<u>Magic Shoelaces</u> by: Audrey Wood	<u>The Napping House</u> by: Audrey Wood	<u>The Little Mouse, The Red Ripped Strawberry and the Big Hungry Bear</u> by: Audrey Wood
Math	Happy and Sad Faces obj: to group items that are alike	Finger Math obj: to solve simple math problems using fingers	Measure the Laces obj: to use measurement tools to determine length	How Many in the House? obj: to count objects	Big and Small obj: to sort objects according to size
Estimation Jar: Strawberries, Shoelaces and Little People or Animals					
Literacy	I feel silly when... obj: to pair emotions with corresponding pictures	Words With Two Meanings obj: to explore and create a list of common homonyms	It Rhymes with Shoe obj: to create a list of rhyming words	Who Lives in the Napping House? obj: to list the characters in a story	The Bear is Bigger than... obj: to use recall skills to tell a story
Letter of the Week: m and a are for magic, mouse and apple					
Creative Arts: A.M.	My Many Faces obj: to draw and describe faces with different emotions	Piggies in the Mud obj: to explore and express using fingers in mud	Shoestring Art obj: to create art using an unusual painting tool	My House obj: to create a house using various shapes	Strawberries obj: to use various art materials to create an object
Small Group	The Feeling Chart obj: to chart words of feelings working as a group	Clean or Dirty obj: to identify and name opposites	Lacing Shoes obj: to practice self-help skills	Building the Napping House obj: to work together as a member of a team	Food Shapes obj: to match food items to corresponding shapes
Creative Arts: P.M.	Under the Table Art obj: to create art in a silly way	Hand Tracing obj: to practice fine motor skills	Shoe Print Art obj: to create a unique print using the sole of a shoe	Wallpaper Mural obj: to work on a group project	Tissue Paper Strawberries obj: to create using glue and tissue paper
Science	Faces in Shaving Cream obj: to create and explore in a textured material	Hand Shadow Puppets obj: to explore shadows created by hands	Inspecting Shoeprints obj: to compare imprints created by shoes	Planting Projects - Weekly Observations obj: to record observations of an ongoing class project	Sweet or Sour obj: to explore and identify different tastes
Music and Movement	"Shake Your Sillies Out" obj: to pair movement to words in a song	The Finger Band obj: to learn a new fingerplay	Balance Beam Walk obj: to practice gross motor skills	"Are You Sleeping?" obj: to learn a new song	Little Mouse, Little Mouse, Where's Your Strawberry obj: to play a familiar game in a new way
Home/School Connection	Talk about a book by your favorite author! Introduce a new book by this author to your child!				

## Preschool and Pre-Kindergarten Lesson Plan

Season: Spring

Unit: In the Garden

Week:

Skill Area	Monday	Tuesday	Wednesday	Thursday	Friday
Language Development	<u>Tops and Bottoms</u> by: Janet Stevens	<u>Flower Garden</u> by: Eve Bunting	<u>Jack's Garden</u> by: Henry Cole	<u>Sunflower House</u> by: Eve Bunting	<u>Growing Vegetable Soup</u> by: Lois Ehlert
Math	Opposites Attract obj: to match opposite ends of items	Flower Petal Math obj: to solve simple math problems using flower petals	Rows of Plants obj: to count using one to one correspondence	How Tall? obj: to make predictions and use tools to measure	Color Sorting Vegetables obj: to group items according to color
Estimation Jar: Flower Seeds, Shovels, Cups of Dirt					
Literacy	The...is on top of... obj: to complete a thought	It Rhymes with ... obj: to create a list of rhyming words	In the Garden... obj: to create a list of items that grow in the garden	The Sun... obj: to share knowledge about the sun	Letter Soup obj: to identify and match upper and lower case letters
Letter of the Week: d and n are for dirt, dig and new					
Creative Arts: A.M.	Carrot and Broccoli Painting obj: to paint with tops and bottoms of food items	Hand printed Tulips obj: to create a flower using handprints	My Garden obj: to demonstrate creative expression	Sunflower Seed Art obj: to create art using sunflower seeds	Magazine Vegetable Soup obj: to create a collage using magazine clipping
Small Group	How Many Scoops of Dirt? obj: to guess and use measurement skills	Flowers in the Flower Pot obj: to match objects to numerals	Tools that will help... obj: to work together to create a list of garden tools	Garden Memory Game obj: to practice memory skills in a game	Halves make a Whole obj: to put corresponding pieces together to create a whole
Creative Arts: P.M.	Carrot Cuttings obj: to demonstrate tracing and cutting skills	Dirt Art obj: to create using unusual art materials	Garden Mural obj: to create a class art project	Flower Prints obj: to create a unique print using flowers	Vegetable Prints obj: to use food items to create prints
Science	Peeling Carrots obj: to learn a new skill	What's Under There? obj: to discover objects hidden in dirt in the sensory table	Seed Sorting obj: to sort and explore objects according to characteristics	Planting Project - Weekly Observations obj: to record observations of an ongoing class project	Carnation Colors obj: to explore cause and effect of carnations in colored water
Music and Movement	"I Like to Eat..." obj: to sing a familiar tune	Musical Flowers obj: to play a group game in a new way	"Dig, Dig, Dig the Earth" obj: to learn a new theme related song	"All Plant a Little Seed" obj: to learn new words to a familiar tune	Growing Like Flowers obj: to move body in an imaginative way
Home/School Connection	Plant a garden, watch it grow, make and chart observations!				

# Preschool and Pre-Kindergarten Lesson Plan

Season: Spring

Unit: Birds & Butterflies

Week:

Skill Area	Monday	Tuesday	Wednesday	Thursday	Friday
Language Development	<i>The Best Nest</i> by: P.D. Eastman	<i>Flap Your Wings</i> by: P.D. Eastman	<i>Gotta Go Gotta Go</i> by: Sam Swope	<i>Butterfly Butterfly</i> by: Petr Horacek	<i>Sam and the Firefly</i> by: P.D. Eastman
Math	Counting Eggs obj: to count objects using one to one correspondence	Feather Patterns obj: to create, extend and copy patterns	Caterpillar to Butterfly Sequencing obj: to place objects in order according to occurrence	Butterfly Matching obj: to match items based on like characteristics	How many feathers can you catch? obj: to count objects from 1 to 5
Estimation Jar: Feathers, Eggs or Jelly Beans					
Literacy	String Letters obj: to create letters using string	<i>If I were a bird, I would fly...</i> obj: to pair creative thought with pictures	What Rhymes with Go? obj: to identify words with similar sounds	Butterflies have... obj: to create a list of words pertaining to a specific creature	<i>I spy...flashlight fun</i> obj: to search and locate letters using a flashlight
Letter of the Week: b and f are for bird, butterfly and feather					
Creative Arts: A.M.	Nests of String obj: to create a 3D picture	Binoculars obj: to create binoculars using paper rolls	Circle Cut Caterpillars obj: to demonstrate cutting skills while creating a caterpillar	Fold and Press Creations obj: to create mirror images using folding skills and paint	Fireflies at Night Chalk Drawings obj: to show creative expression
Small Group	String Measurement obj: to use tools to obtain measurements	Cheerio Bird Feeders obj: to use fine motor skills while creating a bird feeder	Counting Caterpillar Circles obj: to count using one to one correspondence	Self Images Mirror Drawings obj: to use a mirror to create a self image	Eggs in the Nest obj: to match objects to numerals
Creative Arts: P.M.	Feather Painting obj: to paint with a unique painting tool	Cheerio Necklaces obj: to create wearable art	Cup Print Art obj: to create prints by exploring paint and cups as a painting tool	Butterfly Ziploc Bags obj: to create using Ziploc bags, tissue paper and clothespins	Seed Art obj: to create using textured materials
Science	Edible Nests obj: to create a nest using food items	Fly or Float obj: to explore and identify object by their ability to fly or float	Leaf Exploration obj: to compare similarities and contrast differences in leaves	Coffee Filter Butterflies obj: to create while exploring cause and effect	Planting Project: Last Observations obj: to record observations of an ongoing class project
Music and Movement	"The Chicken Dance" to move and respond to music	"Two Little Blackbirds" obj: to learn a theme related fingerplay	Duck Duck, Goose obj: to participate in a group game	Fly, Waddle, Hop obj: to move body creatively	"Owl in the Tree" obj: to sing a song using our names
Home/School Connection	Take a nature walk and look for birds nests and butterflies. Talk about where you see them and how many you saw.				

# Preschool and Pre-Kindergarten Lesson Plan

Season: Spring

Unit: The Earth

Week:

Skill Area	Monday	Tuesday	Wednesday	Thursday	Friday
Language Development	<u>The Earth and I</u> by: Frank Asch	<u>Why Should I Recycle?</u> By: Jen Green	<u>I Love Our Earth</u> by: Bill Martin, Jr.	<u>Recycle. A Handbook for Kids</u> by: Gail Gibbons	<u>Michael Recycle</u> by: Ellie Bethel
Math	Earth Puzzles obj: to place parts together to create a whole	Recycling Arrows obj: to search for and count a commonly used symbol	Can Sort obj: to sort based on color and specific attributes	Counting Cans obj: to increase counting skills while using one to one correspondence	Soda Cap Patterns obj: to create extend and copy patterns
Estimation Jar: soda caps, pieces of newspaper, and socks					
Literacy	Where on the Map? obj: to discover and explore reading a map	Recycling obj: to explore and discuss the meaning of the word recycling	Torn Paper Initials obj: to use a familiar item to create initials	Environmental Print Puzzles obj: to complete a puzzle using knowledge of environmental print	R is for Recycle... obj: to create a list of words using beginning sounds
Letter of the Week: Letter Review					
Creative Arts: A.M.	Earth Mural obj: to create a class mural working together as a team	Litter Bugs obj: to create a unique object	Newspaper Prints obj: to create using paper as a painting tool	Can Prints obj: to create art using a recyclable item	Recycled Instruments obj: to use a familiar item to create and use a new way
Small Group	Can it be recycled? obj: to sort items and create a chart based on properties	Lacing Milk Caps obj: to use a familiar item in a new way	Sorting Paper obj: to sort items based on type	More or Less obj: to explore quantities in a group	Earth Day Memory Game obj: to increase memory skills while participating as a member of a group
Creative Arts: P.M.	My Earth obj: to create a unique drawing using markers and or crayons	Recycled Bracelets obj: to collect materials to create a unique object	Litter Bug Bags obj: to create a useful object while demonstrating self expression	Recycled Collages obj: to create a collage using recycled materials	Recycled Sock Puppets obj: to create something new out of something old
Science	Digging up the Earth obj: to explore and experiment with dirt in the sensory table	Class Recycling Bins obj: to explore the concept of recycling as a class project	Making Paper obj: to create paper as a long term class project	What's in the Can? obj: to use only the sense of hearing to identify hidden objects	Making Paper - Continued obj: to finalize creating paper as a long term class project
Music and Movement	"This Old Earth" obj: to sing a theme related song	Pitch it In! obj: to practice throwing with accuracy	"We're not Litterbugs" obj: to sing a song and explore rhythm	"10 Bottles of Pop" obj: to practice counting backwards while singing a new song	Recycled Instrument Parade obj: to create music with unique instruments
Home/School Connection	Plant a tree! Chart it's growth! Take your child to the dump or have them help you sort recyclable items!				

# Preschool and Pre-Kindergarten Lesson Plan

Season: Spring

Unit: Insects & Spiders

Week:

Skill Area	Monday	Tuesday	Wednesday	Thursday	Friday
Language Development	<u>Bugs, Bugs, Bugs!</u> by: Bob Barner	<u>The Beautiful Bee</u> by: Sue Unstead	<u>Hey Little Ant</u> by: Phillip M. Hoose	<u>The Very Clumsy Click Beetle</u> by: Eric Carle	<u>Aaaaargghh Spider!</u> by: Lydia Monks
Math	Bug Patterns obj: to create, copy or extend patterns using plastic bugs	Bug Match obj: to match like objects based on characteristics	How Many Legs? obj: to count using one to one correspondence	Spider or Not obj: to group like items together	Spider Webs obj: to create a web by matching objects to numerals
Estimation Jar: plastic bugs, pipe cleaners, or pom-poms					
Literacy	Pipe Cleaner Letters obj: to create letters using colored pipe cleaners	Which Letter, Which Bug? obj: to create a list using beginning sounds	If I Was a Spider, I Would... obj: to complete a thought and pair with pictures	Letter Bugs obj: create words while recognizing and grouping letters	Where on the web? obj: to demonstrate knowledge of position words
Letter of the Week: g and h are for grasshopper, hop, green					
Creative Arts: A.M.	Thumbprint Bugs obj: to create using a body part	My Very Own Bug obj: to create a unique drawing using markers	Ants in the Sand obj: to create using edible food items such a crushed graham crackers and raisins	Leaf Beetles obj: to create a unique beetles using leaves and collage materials	Spider Web Paintings obj: to create a web using string and paint
Small Group	Sorting Bugs obj: to group bugs based on characteristics	Bee Parts obj: to identify and label bug parts	Ant Math obj: to complete simple math problems using ants	The Ants Go Marching obj: to play a game while singing a familiar song	Bug Pieces obj: to put pieces together to create a whole picture
Creative Arts: P.M.	Bug Collage obj: to create a collage using various pictures of bugs	Bee Stripes obj: to demonstrate scissor skills	Ant Hills obj: to create 3D sculptures using flour, water and sand	My Bug obj: to create a unique bug using a wide variety of art materials	Web of String obj: to create webs using string and glue
Science	Bug Inspection obj: to explore bugs using magnifying glasses	Where are the Bugs? obj: to search for and discover bugs hidden in the sensory table	Ants Dance obj: to explore cause and effect using raisins and vinegar, water and baking soda	Bug Trails obj: to create trails using plastic bugs and shaving cream	What Attracts Ants? obj: to explore cause and effect
Music and Movement	Musical Bugs obj: to play a familiar game in a new way	Bringing Home a Baby Bumblebee obj: to sing a song and pair words to actions	The Ants Go Marching obj: to sing a familiar song	Bugs obj: to sing a new theme related song	Toilet Paper Spider Web obj: to create a toilet paper web while participating as a member of a group
Home/School Connection	Dig in the garden at home, search for bugs and talk about the bugs that you have found! Talk about the differences and similarities between the bugs that you find!				

# Preschool and Pre-Kindergarten Lesson Plan

Season: Spring

Unit: Outer Space

Week:

Skill Area	Monday	Tuesday	Wednesday	Thursday	Friday
Language Development	<u>Want to Be an Astronaut</u> by: Byron Barton	<u>On the Launch Pad: A Counting Book About Rockets</u> by: Dahl	<u>Way Out There</u> by: Lynn Wilson	<u>Me and My Place in Space</u> by: Joan Sweeney	<u>Funny Faces Alien Art</u> by: Roger Priddy
Math	Blast Off Sequencing obj: to retell a story by sequencing pictures in meaningful order	Rocket Puzzles obj: to place pieces together to create a whole	How Many Stars? obj: to count objects from 1 to 20	Planet Sizes obj: to put objects in order from smallest to largest	Antennae Match obj: to match objects to numerals
Estimation Jar: stars, "rocks" or googly eyes					
Literacy	<u>If I Were an Astronaut...</u> obj: to pair creative thinking with art	What's in Space? obj: to create a list of space related items	What Rhymes with Moon? obj: to think of and create a list of rhyming words	<u>If I Were Going to Space, I Would Take...</u> obj: to demonstrate creative thought in word and art	Twizzler Letters obj: to create letters using a new item
Letter of the Week: e and r are for earth, rock and rocket					
Creative Arts: A.M.	<u>My Astronaut</u> obj: to create a unique drawing using markers	Rocketship Creations obj: to use construction paper and glue to create a familiar object	Painting Moon Rocks obj: to use imagination while exploring creative skills	<u>My View of Space</u> obj: to create a mural using various art materials	Edible Alien Art obj: to create edible art using flour tortillas, fruit and twizzlers
Small Group	Counting Backwards obj: to practice the skill of counting from 10 to 1	Planet BINGO obj: to play a familiar game in a new way	"I Spy" Flashlight Find obj: to search for space related objects in the classroom using a flashlight	Me on the Map obj: to explore maps	Star Tracing obj: to demonstrate fine motor control
Creative Arts: P.M.	Planet Cutting obj: to demonstrate cutting skills	Tube Telescopes obj: to use familiar items in a new way	Constellation Creations obj: to demonstrate creative skills with aluminum foil and glue	Coffee Can Galaxy obj: to create art by shaking marbles and paint in a closed coffee can	Star Prints obj: to create using cookie cutters and paint
Science	Moon Dust obj: to explore new textures in the sensory table	Moon Boot Walking obj: to experience walking in a new way using sponges under our feet	Moon Craters obj: to experiment with rocks, marbles and flour	Day or Night obj: to sort objects based on specific characteristics	Alien Slime obj: to have a new sensory experience
Music and Movement	The Astronaut Song obj: to learn a new theme related song	The Planets, Zippity Doo obj: to sing song while learning names of planets	Moon Rock Toss obj: to practice throwing with accuracy	Climb Aboard the Spaceship obj: to sing a new theme related song	Astronaut, Astronaut, Alien obj: to play a familiar game in a new way
Home/School Connection	Visit a planetarium, take a night walk and observe the star filled sky! Talk about the planet that we live on!				

# Preschool and Pre-Kindergarten Lesson Plan

Season: Spring

Unit: Bears

Week:

Skill Area	Monday	Tuesday	Wednesday	Thursday	Friday
Language Development	<u>We're Going on a Bear Hunt</u> by: Michale Rosen	<u>Teddy Bear's Picnic</u> by: Jerry Garcia	<u>It's the Bear!</u> by: Jez Alborough	<u>Where's My Teddy?</u> by: Jez Alborough	<u>Good As New</u> by: Barbara Douglass
Math	Measuring Bear Footprints obj: to demonstrate knowledge of measurement skills	How Many Items Will Fit? obj: to use estimation and counting skills	Bears, Bears and More Bears obj: to group items together based on specific characteristics	Counting Bear Parts obj: to demonstrate counting skills using bears	New or Old obj: to group items according to specific characteristics
Estimation Jar: bear counters, pieces of honeycomb cereal, or bear noses (pom poms)					
Literacy	Bears Eat Honey, I Eat... obj: to complete a thought and pair with magazine clippings	We're Going on a Picnic and I am Bringing... obj: to create a class story	Letters in Honey obj: to write letters and words in a new medium	Bear Position Words obj: to explore words and their meanings	Letters in Coffee obj: to create drawings in a scented texture
Letter of the Week: t and l are for teddy, tall and live					
Creative Arts: A.M.	Bear Footprints obj: to use classroom toys to create prints	Circle Shaped Bears obj: to create a bear shape using shapes and glue	Honey Finger Painting obj: to create using honey and fingers	My Bear... obj: to create a unique drawing	Bear Puppets obj: to create using various art materials
Small Group	Bear Memory Game obj: to play a familiar game using new materials	Teddy Bear Sort obj: to group items based on characteristics	Bear Counter Fun obj: to explore patterns, counting and sorting skills using classroom counters	My Bear... obj: to verbally share knowledge about bears with others	Opposites Attract obj: to identify and explore opposites
Creative Arts: P.M.	A Big Bear Cave obj: to create a cave using boxes and paper	Basket Weaving obj: to practice a new skill while using position words	In the Cave, Under the Table obj: to create while laying on back, under the table or in a box	Bear Masks obj: to create a mask using paper plates and art materials	Coffee Scented Bears obj: to create using scented objects and glue
Science	Caves Are... obj: to create a descriptive list	What's That Smell... obj: to identify objects using only the sense of smell	Under, Over, In and Out obj: to discover and place bears in the sensory table while exploring position words	Fur, Feathers and other Textures obj: to identify textures using the feely box	Magnetic Fun obj: to explore magnets and their properties
Music and Movement	Pass the Bear obj: to play a familiar game in a new way	Picnic Telephone Game obj: to play a group game using verbal and listening skills	Teddy Bear, Teddy Bear obj: to follow directions stated in a rhyme	Teddy Bear Parade obj: to march, move and create music using musical instruments	The Teddy Bear Picnic obj: to sing a theme related song
Home/School Connection	Plan a trip to the zoo...check out the bear exhibits and point out the similarities between the many types of bears! Measure your feet and talk about the differences between your feet and bear feet!				

# Preschool and Pre-Kindergarten Lesson Plan

Season: Spring

Unit: At the Zoo

Week:

Skill Area	Monday	Tuesday	Wednesday	Thursday	Friday
Language Development	<u>Put Me in the Zoo</u> by: Robert Lopshire	<u>Dear Zoo</u> by: Rod Campbell	<u>Good Night Gorilla</u> by: Peggy Rathmann	<u>Color Zoo</u> by: Lois Elhert	<u>"Stand Back" Said the Elephant</u> <u>"I'm Going to Sneeze"</u> by: Patricia Thomas
Math	Circle Counting obj: to count from 1 to 30 using circular shapes	How Many Animals Will Fit? obj: to demonstrate estimation skills	Animal Food? obj: to sort food items into specific categories	Color Sorting and Patterning obj: to create patterns and sort objects according to color	Counting "Peanuts" obj: to practice counting skills using styrofoam pieces
Estimation Jar: animal counters, bananas, or lion hair (pieces of yarn)					
Literacy	<u>If I Ran the Zoo, I Would...</u> obj: to pair creative thought with pictures	<u>Dear Zoo...</u> obj: to retell a familiar story while participating as a member of a group	Animal Word Match obj: to pair words and pictures	What Rhymes with Zoo? obj: to create a list of rhyming words	Newspaper Letters obj: to use torn paper and glue to create letters
Letter of the Week: l and j are for inside, jump, jungle					
Creative Arts: A.M.	<u>My Zoo Animal</u> obj: to draw an animal using markers and paper	<u>Zebra Stripes</u> obj: to create patterns using black and white paper	<u>Fruit Trace and Cut</u> obj: to demonstrate fine motor skills	<u>Lion Faces</u> obj: to create using textured materials	<u>Elephant Bags</u> obj: to create elephant heads using construction paper and paper bags
Small Group	<u>Animal BINGO</u> obj: to play a game while participating as a member of a small group	<u>Measuring Animal Tails</u> obj: to use rulers and yarn to practice measurement skills	<u>Monkeys in a Barrel</u> obj: to work as a member of a team to create monkey chains	<u>Mother &amp; Baby Match</u> obj: to match animal babies to their mothers	<u>Move that Pom Pom</u> obj: to move an object using only nose
Creative Arts: P.M.	<u>Animal Cracker Creations</u> obj: to create using edible materials	<u>Tail Painting</u> obj: to use string as a unique painting tool	<u>Banana Peel Painting</u> obj: to paint using a unique painting tool	<u>Spiral Snakes</u> obj: to demonstrate creative scissor skills	<u>Magazine Collages</u> obj: to create an animal collage using magazines and glue
Science	<u>What's that Sound?</u> obj: to identify and make animal sounds	<u>Shadow Match</u> obj: to match shadows to animal pictures	<u>Flea Search</u> obj: to search for and discover hidden bugs in the sensory table	<u>Playdough Animals</u> obj: to create animals using a familiar medium	<u>Weighing Ourselves</u> obj: to use a new tool to measure weight
Music and Movement	<u>"We're Going to the Zoo"</u> obj: to sing a new theme related song	<u>"If I Were A..."</u> obj: to learn a new song and pair with animal movements	<u>"5 Little Monkeys"</u> obj: to recite a counting rhyme	<u>Move Like A...</u> obj: to move body creatively	<u>"An Elephant"</u> obj: to learn a new theme related rhyme
Home/School Connection	Visit the National Zoo! Observe and discuss the animals and their individual traits!				

# Preschool and Pre-Kindergarten Lesson Plan

Season: Spring

Unit: Sports

Week:

Skill Area	Monday	Tuesday	Wednesday	Thursday	Friday
Language Development	<u>Pig at Play</u> by: Buller & Schade	<u>I-Ball Trouble</u> by: Tomie dePaola	<u>Hunter and Stripe and the Soccer Showdown</u> by: Laura Malone Elliott	<u>Swish!</u> by: Bill Martin, Jr. & Michael Sampson	<u>Curious George Goes Bowling</u> by: H.A. Rey
Math	Ball Patterns obj: to create, extend and copy patterns	How Many Baseballs on the Mound? obj: to count items in a group	Black or White obj: to sort items into groups	Keeping Score obj: to solve simple addition math problems	How Many Are Down/Up? obj: to count items according to their position
Estimation Jar: balls, deflated balloons, or golf tees					
Literacy	Letters of Laces obj: to form letters using laces or string	I Have Trouble When I... obj: to complete and share a thought	My Favorite Sport Is... obj: to create a chart, share and discuss results	Swish...Wish... obj: to create a list of rhyming words	Pin Math obj: to solve simple math problems using bowling pins as counters
Letter of the Week: q is for quick, quit, quarter					
Creative Arts: A.M.	Laces Art obj: to experiment with laces and glue	Tracing Bases obj: to demonstrate fine motor skills	Grass Snipping obj: to create grass using construction paper and scissors	Basketball Prints obj: to create prints using a unique painting tool	Bowling Ball Cutting obj: to demonstrate scissor skills
Small Group	Lacing In and Out obj: to demonstrate fine motor skills while practicing a new skill	Whose Ball is that? obj: to match athletes to the corresponding ball	Sole Rubbings obj: to create a print using personal items	Tall, Taller, Tallest obj: to place friends in order according to height	Keep that Balloon UP! obj: to participate as a member of a small group while working towards a goal
Creative Arts: P.M.	My Favorite Sport... obj: to express in word and picture	Baseball Roll obj: to create art with a moving object	Cleat Prints obj: to use a unique object as a painting tool	Pendant Decorating obj: to create a personalized sports sign using collage materials	3 D Ball obj: to create 3D art while participating as a member of a group
Science	Taste This Drink obj: to use only the sense of taste to identify drinks	What's inside that Baseball? obj: to explore the inside of a familiar object	Color Mixing obj: to mix two colors while predicting the outcome	Bouncing Balls obj: to estimate and explore how high balls will bounce	What's that Sound? obj: to use the sense of hearing to identify sounds
Music and Movement	Pass the Ball obj: to play a familiar game in a new way	Relay Races obj: to follow directions while participating as a member of a group	Roll and Kick obj: to practice a gross motor skill	Toss That Ball obj: to practice throwing with accuracy	Bowl for Cheers! obj: to participate in a group/individual game
Home/School Connection	Watch a sporting event and discuss the rules of the game!				

# Preschool and Pre-Kindergarten Lesson Plan

Season: Spring

Unit: Splish, Splosh, Splash

Week:

Skill Area	Monday	Tuesday	Wednesday	Thursday	Friday
Language Development	<u>Water</u> by: Frank Asch	<u>Splash!</u> by: Ann Jonas	<u>Sergio Takes a Splash</u> by: Edel Rodriguez	<u>Fish Out of Water</u> by: Helen Palmer	<u>Splish Splash</u> by: Sarah Weeks
Math	Counting Rain Drops obj: to count using one to one correspondence	How Deep is that Puddle? obj: to use a ruler as a measurement tool	How Many Cups of Water? obj: to estimate quantity and then use measurement skills for accuracy	Big, Bigger, Biggest obj: to place objects in sequence according to size	Bucket Math obj: to match objects with numerals
Estimation Jar: rubber ducks, cups of water, or sponges					
Literacy	Water Colored Letters obj: to practice writing skills using art materials	When it Rains, I Like to... obj: to pair creative thought with unique drawings	Letter BINGO obj: to match letters while playing a game	What Lives in the Water obj: to create a list of creatures that live in the water	Water Is... obj: to share knowledge about a specific topic
Letter of the Week: letter review					
Creative Arts: A.M.	Torn Paper Creations obj: to create a picture of water using torn tissue, paper and glue	My Bathtub obj: to create an original drawing using crayons and paper	Water Colored Mural obj: to work on a group project	Fish Stencil Painting obj: to create using stencils and paint	Bucket Prints obj: to use a unique material as a painting tool
Small Group	Ice and Water obj: to use prediction skills to describe an object	Puddle Jump obj: to practice gross motor skills while following directions in a small group	More or Less, Wet or Dry obj: to use descriptive words	Fish In, Fish Out obj: to demonstrate knowledge of position words	Boot Match obj: to match like items while participating as a member of a small group
Creative Arts: P.M.	Ice Painting obj: to create using dry Kool-Aid and ice	Puddle Cutting obj: to demonstrate creativity while using scissor skills	Wet Chalk Creations obj: to explore cause and effect while creating	Blown Art obj: to use a straw and wind to create	Splash Art obj: to use water colors and sponges in an outdoor art activity
Science	Ice Cube Pass obj: to experience an object using senses while exploring cause and effect	Creating Rainsticks obj: to create a musical instrument	Water Fun obj: to explore water in the sensory table	Bubble Blowing obj: to use mouth to demonstrate a new skill	Making Popsicles obj: to create while exploring temperature
Music and Movement	"It's Raining" obj: to sing a familiar song	Rain Stick Music obj: to create music using rainsticks	Puddle Hop Scotch obj: to play a familiar game in a new way	Fish Toss obj: to demonstrate throwing with accuracy	"Down in the Water" obj: to sing a theme related song
Home/School Connection	Visit a pond, have a car wash, play in the rain...enjoy your bathtime! Have fun in the water!				

Spring	Books Of The Week				
Up In the Clouds	<u>Cloud Dance</u> by: Thomas Locker	<u>Harold's Trip to the Sky</u> by: Crockett Johnson	<u>The Storm Book</u> by: Charlotte Zolotow	<u>The Sun is My Favorite Star</u> by: Frank Asch	<u>Moongame</u> by: Frank Asch
St. Patrick's Day	<u>The Night Before St. Patrick's Day</u> by: Natasha Wing	<u>St. Patrick's Day</u> by: Anne Rockwell	<u>St. Patrick's Day</u> by: Carmeen Bredeson	<u>St. Patrick's Day Alphabet</u> by: Beverly Barras Vidirine	<u>That's What Leprechauns Do</u> by: Eve Bunting
Wild West	<u>Best Alphabet Book in the Wild West</u> by: Gary Bennett	<u>Cowboy Small</u> by: Lois Lenski	<u>Cowboy Camp</u> by: Tami Sauer	<u>Lasso Lou and Cowboy McCoy</u> by: Barbara Larman Failing	<u>B is for Buckaroo</u> by: Louise Doak Whitney
The Works of Audrey Wood	<u>Silly Sally</u> by: Audrey Wood	<u>Piggies</u> by: Audrey Wood	<u>Magic Shoelaces</u> by: Audrey Wood	<u>The Napping House</u> by: Audrey Wood	<u>The Little Mouse, The Red Ripe Strawberry and the Big Hungry Bear</u> by: Audrey Wood
In the Garden	<u>Tops and Bottoms</u> by: Janet Stevens	<u>Flower Garden</u> by: Eve Bunting	<u>Jack's Garden</u> by: Henry Cole	<u>Sunflower House</u> by: Eve Bunting	<u>Growing Vegetable Soup</u> by: Lois Ehlert
