GEORGIA INSTITUTE OF TECHNOLOGY
2012 RETIREMENT DINNER

Thank You

Your service to Georgia Tech has helped to make this Institute one of the world's top-ranked universities, and for that we want to say "thank you." Any success we enjoy is directly attributable to our employees and students — it is you who make our university great. Whether you have been a part of the Tech community for five years or forty years, your contributions have made Tech a better place to live, work, and study.
