- Ensure staff is well trained and a friendly, professional branch environment is maintained.
- Customers and visitors should be acknowledged with a smile and staff members call regular customers by name. Good manners should be observed when speaking on the telephone or communicating with customers at the drive-up window. Staff members should focus on customers and not on internal conversations, phone calls, or other distractions in the presence of a customer, including drive-up customers.
- Ensure staff members have a good working knowledge of bank products and services, listen attentively to customers, provide accurate information, and regularly identify opportunities to help customers with additional products and services, including referrals to other areas of the bank.
- Provide strong support for any sales and service initiatives undertaken by the bank and regularly discuss customer service goals and concerns with staff.

**Operations**
- Maintain up-to-date checklists of all branch functions, assign specific duties and responsibilities to staff members, and ensure tasks are accurately and efficiently completed, following procedures established by the Senior Branch Operations Specialist. Rotate duties to ensure all staff members are able to perform all tasks. Schedule staff in the most efficient manner, insuring adequate coverage based on customer traffic while not overstaffing.
- Ensure that staff members are familiar with all manuals and reference materials, forms and procedures are up-to-date, and stations are neat and appropriately stocked before opening for business.
- Maintain a strong knowledge of bank products, services, procedures, and regulatory requirements in order to assist staff members with questions and difficult or complex
Review deposit holds and other infrequent or complex tasks to ensure accuracy prior to providing information to customers or forwarding to other areas of the bank.

- Monitor Daily Cash Balancing information from Customer Service and assist tellers in resolving differences making sure that appropriate offage checklists and procedures are completed and submitted timely. Track offages in the branch general ledger over and short account and maintain the teller offage spreadsheet notifying the Senior Branch Operations Specialist within 2 business days of large or difficult to locate differences. Provide regular offage reports or other requested information to the Branch Operations Specialist.
- Assess branch needs for coin and currency and ensure appropriate levels are ordered or shipped.
- Ensure adequate levels of teller/branch supplies are maintained using vendors and procedures specified by the Senior Branch Operations Specialist or Operations.
- Ensure staff members have appropriate access to all applications needed to perform branch responsibilities and user IDs and passwords are regularly tested to ensure access when needed.
- Monitor performance, provide or arrange additional training for staff members when needed, and maintain a performance file for each employee which includes documentation to assist with performance or disciplinary reviews. Coordinate time card and attendance responsibilities with the branch manager.
- Mentor new hires and staff members with performance challenges. Observe transactions as they are performed or review after the fact to confirm employee understanding. Answer questions and provide feedback to employees based on observations. Follow up regularly with the branch manager to keep them abreast of performance concerns.
- Conduct regular staff meetings to share information, answer questions, provide feedback, or discuss methods to achieve sales, service, operations, and other goals.
- Ensure staff members complete Digital University or other prescribed training monthly.
- Monitor staff interactions with customers and step in when they need help answering questions or dealing with difficult situations.
- Identify exceptions, questionable practices or procedures and communicate concerns to the branch manager and Senior Branch Operations Specialist.
- Foster teamwork with other managers and departments, sharing knowledge and expertise to improve processes and enhance service levels.
- Provide backup for all branch functions filling in as needed.

**Security and Compliance**

- Ensure that all established security and internal controls are observed by all staff members (including drawer limits and procedures concerning cash counts, bait money, teller offages, dual control, safe time locks and combinations, etc.).
- Monitor and maintain security equipment working with established vendors and the bank security officer.
- Ensure that cash drawer and vault levels are maintained at the lowest level at which the branch can effectively operate.
• Work with the Senior Branch Operations Specialist to resolve branch audit deficiencies, perform internal surprise cash counts of other branches quarterly, and maintain procedural consistency among all Capaha branches.
• Ensure staff members understand security and compliance responsibilities and follow all guidelines and procedures.
