

PHYSICIAN ASSISTANT **FALL 2015** PAYMENT PLAN: PROMISSORY NOTE OF TUITION & FEES

The University of North Texas Health Science Center at Fort Worth provides for payment of tuition and fees for each Fall and Spring semester (installment option is not available for Summer) through the following alternatives:

- Full payment of tuition and fees upon registration.
➤ One-half payment of tuition and fees plus payment plan fee upon registration or by the payment deadline, with separate one-fourth payments prior to the start of the sixth and eleventh class weeks. Student Health Insurance fee is not included in the payment plan.

By selecting the Installment Plan, either by paying the minimum due shown at registration or by the payment deadline, you are accepting the terms of the contract printed below:

- 1) Payment must be received on or before each due date with or without billing notice. If mailing a payment, postmarks will not be a consideration. If mailing your payment, please send your check or money order to the address listed below. It is the student's responsibility to know when a payment is due, regardless of UNT Health Science Center billing procedures. Electronic copies of your bill are available by accessing your account online. Paper bills are mailed upon request only. Student Finance will notify students via e-mail 5-10 days prior to payment due dates. If you have questions about your bill, please contact the Student Finance Office before the payment deadline. Payment is due by the deadline with or without billing notice.
2) A \$15.00 (per payment) Late Payment Fee will be charged for any payment received after the due dates printed below. Additional late fee(s) will be assessed for each month the payment is past due.
3) If full payment is not received by September 28, 2015 for the Fall 2015 semester, the student will be blocked from receiving transcripts and will not be able to complete registration for future classes until the entire past due balance is paid.
4) A non-refundable \$15.00 Installment Plan Fee will be charged for selecting the Installment Payment Plan. All incidental fees, (i.e., Installment Plan Fee, ID Card Fee, Health Insurance and Course Fees) must be paid in full with the first installment payment.
5) Any Financial Aid, Scholarship or Sponsorship refund, or any other tuition and fee adjustment(s) will be applied to the TOTAL balance due for the semester. A Refund will be issued only after all outstanding balances for the current semester or any previous semester have been paid.
6) If a student voluntarily withdraws from the semester, the total balance of tuition and fees is due immediately. Withdrawal refunds are based on the amount owed for the entire semester, not the amount paid.
7) If a student defaults on the unpaid balance, they will be referred to UNT Health Science Center's collection agency and reported to credit bureau organizations. Under such circumstances, the student will also be responsible for all attorney's fees, other costs and charges necessary for the collection of any amount not paid when due.
