

About TOHL, INC.

TOHL is a global company based in Atlanta, Georgia, *Mobilizing the Globe* by providing innovative water infrastructure solutions. TOHL installs high quality, specialized solutions that are low-cost, low-tech, and environmentally sustainable. Services include the engineering, procurement, and installations of pipelines, as well as water purification systems, pumping systems, solar systems, control systems, wells, and adjacent products/services. TOHL offers complete solutions that are tailored to the needs of each particular client and community. Throughout all stages of TOHL's projects, the community is directly involved in order to ensure maximum social impact. TOHL's solutions create cost-effective, efficient, and scalable alternatives to expensive, conventional water infrastructure. The technologies invented and used by TOHL allow installations to be completed even in the most challenging terrain. TOHL is perpetually innovating and expanding into new growth markets.

Entry-Level Financial Analyst

TOHL is hiring an entry-level financial analyst who has a desire to learn and grow within the TOHL team, as the young company continues to grow at a rapid pace. The candidate chosen for this position will assume heavy responsibility, will be quickly integrated into a dynamic international team, and is expected to eventually become TOHL's CFO. From day one, the person selected will be intricately involved in TOHL's day-to-day accounting, overall financial planning, as well as the creation and presentation of investment proposals. The location of the position will either be in TOHL's operations office in Santiago, Chile or TOHL's headquarters in Atlanta, GA, USA.
