# McAfee Memorial Library

## About the Library

The McAfee Memorial Library, located within the Mabee Learning Center/Academic Underground on Park University's flagship Parkville Campus, provides access to quality information resources that enables a diverse community of learners to think critically, communicate effectively, demonstrate a global perspective and engage in lifelong learning and service to others.

The library is also home to the Academic Support Center, where students can receive tutoring, writing assistance, help preparing for the WCT exam, help with time management and study skills, individual mentoring and academic accommodations for students with disabilities. It also houses the University's Fishburn Archives and Special Collections, which consists of manuscripts, print materials, photographs, artifacts, and textiles that document the founding and history of the University and Parkville, Mo. Access to the Fishburn Archives is available by appointment only.

The Campanella Gallery, located within the library, features art exhibits from local and regional artists, as well as Park students, faculty and staff.

## By the Numbers

The McAfee Memorial Library's collections include approximately 120,000 books, more than 139,000 electronic books and more than 41,000 electronic journals (contained in our periodical and research databases). Electronic resources are available 24 hours a day, seven days a week. Access to additional library materials can be made via one of the University's many reciprocal borrowing partners and via interlibrary loan.

## Reciprocal Agreements and Interlibrary Loan

Park University's library maintains reciprocal borrowing agreements with several hundred local and regional libraries for increased access to print and electronic resources. Items not held in the Park University library can also be requested via interlibrary loan from libraries throughout the country.

## Library Instruction and Research Help

The McAfee Memorial Library's reference and distance education librarians provide instruction in the use of library resources and basic research strategies. They are also available to provide assistance on-site, via phone, e-mail and live chat.
