Note From Your Pastor

Dear Church Family,  
I hope this note finds you well! It is a joy to take a minute and to brag on God and encourage you His people. As summer has now come and gone so quickly we find ourselves excited for the changing of the leaves and the cooler temperatures (everybody but Drew). But as your pastor I get excited because of the change God continues to do on the inside of His church. We have truly been blessed over the last few months as we have seen many trust Christ and follow Him in obedience thru Baptism. We have also seen God add to the Church by bringing us many new families to our fellowship. I praise the lord for His faithfulness. But I am also grateful for the faithfulness of the Center Point Family. Thank you for continuing to give, serve and share the love of Christ together. Please pray with me that we will see God continue to do even greater things here at Center Point! I Still believe the Church is His gift to the world!! Don't sit on the sideline any longer, if you have been staying home I want to ask that you come back and get involved with His church today!

In Love, *Pastor*

Malda Thompson Scholarship Fund

Twice each year, students pursuing a degree in Ministry or missions have an opportunity to apply for the Malda Thompson Christian Service Scholarship Fund. The church budgets an amount each year, but your contributions to this mission of our church is greatly appreciated. This past semester, your financial gifts contributed to the education of four students. If you feel led to give, you can designate it to this fund. Thank you for being a blessing to these and investing in sharing the gospel with the world.

Thank You Church Family

This journey has been difficult but the prayers of God's people were felt. Joan Sumner's food team prepared a meal for our family after Perry's funeral and we thank them. Special blessings for Shelby Webb and Bob Washington for their steadfast love. Thank you!
