

8th Grade Newsletter

September

Science Fair Updates:

All students at the STEM Academy are required to participate in the Science Fair. Deadlines & other information have already been sent home. Students will be given some time in school to complete but are expected to complete the majority of the project at home.

For more information on the Science Fair, check out the 8th grade webpage!

Career Excursion for September

We will be visiting the LOTT Wet Science Center in Olympia on September 17th, 2015

Departure: 9:00 am by Bus Return: 3:30 pm

Bring: Sack Lunch, \$10, Closed Toe Shoes, & Jacket

Chaperones: We will need 6 chaperones. Please contact Mrs. Ortenzo!

Students will learn about the Urban Water Cycle in connection to the learning about the general cycling of water through Earth's Systems. They will explore how humans clean and treat water and available careers.

Uniforms are required on the trip.

Career Excursions

Career Excursions have a \$10 monthly fee. Please ensure that you have sent in your \$10 at the beginning of each month and have signed the year's permission slip. (If your family is unable to afford this fee, please ask us about scholarships) If you are interested in chaperoning, please contact Mrs. Ortenzo or Ms. Lippy!

Technology Policy

Please make sure you have signed and returned the technology policy agreement for your student. This allows students to access both school and personal technology. Failure to follow expectations will result in the loss of both school and personal technology access.

Upcoming Events
