Summer Was a Huge Success!

The valued partnership with our families made for another wonderful summer at CDC!

Strategic Plan Update!

Our strategic planning team will be meeting on September 25, 2014 to celebrate last years accomplishments and set new goals for the upcoming year! More information will follow in the upcoming months!

What Is Second Step?

We are using the Second Step early learning program in your child's classroom to support their social emotional growth and teach them problem-solving skills. Make sure to join www.secondstep.org with the activation key SSPE FAMI LY68 to get information about what your child is learning in the Second Step early learning program!

Absences, Schedule Changes, and Withdrawal

Please notify the CDC office if your child will be absent from CDC for any reason. Requests for schedule changes must be done in advance and in writing. Schedule changes will be granted whenever possible, however, ***they do not become effective until the first day of the following month.*** CDC requires a written two-week notice of withdrawal when you wish to withdraw from the CDC program.

Special Thanks

We would like to thank all of our wonderful parents for an amazing start to the 2014-15 school year! We appreciate each one of you and all you have done to help your children be ready for school! The office staff are always available to if have questions or suggestions to support the care of your child. We are happy to have all of you as part of our CDC family!!

Late Pick Up and Early Drop Off Fees

Just a reminder: There is a **\$25.00** fee for every 15 minutes you are late picking up your child after their regularly scheduled pick up time. This fee is also charged for every 15 minutes you drop off your child before their regularly scheduled drop off time.

Sign In/Out Procedures

Children must be accurately signed in and out each day on the Procure terminal. Children will not be released to anyone under the age of 18.

Children will not be released to any person other than parents or those designated on the child's registration or emergency information unless written authorization is provided by the parent. Picture identification will be required when a child is picked up by any person not known to the CDC teachers on duty. Thank your for all of your support !
