## Downloading menu templates and create a holiday theme

In this tutorial you can follow the step-by-step procedure for updating Nero Vision with new menu templates.

The following requirements must be fulfilled:

- You have started Nero Vision and opened a project.
- The **Edit Menu** screen is displayed.
- An Internet connection is required. The costs for the Internet connection are carried by the user.

To update Nero Vision with new menu templates, proceed as follows:

1. Click the **Smart 3D** entry in the **Category** drop-down menu.
2. Select the **More Template** entry in the **Templates** area.
  - ➔ A window informs you that more templates are available if you go to Nero ControlCenter and install the templates.
3. Click the **OK** button and close Nero Vision.
4. Start Nero ControlCenter via the Nero ControlCenter shortcut on the desktop.
  - ➔ The Nero ControlCenter window is opened.

 If you have no Nero ControlCenter shortcut available on your desktop, click **Start** (the **Windows** start icon) > **(All) Programs** > **Nero** > **Nero ControlCenter**.
5. Click the **Check for updates** button in the **Update** area.
  - ➔ **Internet Explorer** is opened to <http://www.nero.com/eng/downloads-updates-trial.html>.
6. Click the **Download now** button under the **Template Packs** headline in the update area of Nero 9.
  - ➔ All available template packs for Nero 9 are displayed.
7. Scroll down to the **Menu Template Packs**.
8. Click the **Learn More** button in the **Menu Templates Pack 3** area.
  - ➔ The selected download page is opened.
9. Enter your E-mail address in the input field in the **Download** area.
10. Click the **Download** button in the **Download** area.
  - ➔ The **File Download** window is opened.
11. Click the **Run** button in the **File Download** window.
  - ➔ The download is started.
  - ➔ An information window is opened.
  - ➔ The installation of the pack on your PC is started. The **Select Setup Language** window is opened.
12. Choose the language you want to use during the installation and click the **OK** button.
  - ➔ The **Setup – Menu Templates Pack 3** window is opened.

- 
13. Follow the instruction of the installation wizard and click the **Install** button.
    - ➔ The installation is running.
  14. Click the **Finish** button.
  15. Restart Nero Vision and return to the **Edit Menu** screen.
  16. Select the desired template.
    - ➔ The selected template is added to your video menu.
  17. Click the **Customize** tab.
    - ➔ The Customize tab is displayed.
  18. Customize the template to your requirements.
    - ➔ You have updated Nero Vision with a templates pack and used it in Nero Vision.
