

BUFFALO TRACE™

"One of the world's great whiskies."

- Jim Murray, *Whisky Bible*

- Handcrafted, small batch, 90 proof bourbon
- Big, complex and satisfying

In Kentucky, buffalo carved out a pathway that was followed by America's first pioneers and explorers. On the spot where their migration route crossed the Kentucky River, we've been making legendary bourbon whiskey for over 200 years.

In tribute to the mighty buffalo and the rugged, independent spirit of the pioneers who followed them westward, we created Buffalo Trace Kentucky Straight Bourbon Whiskey.

Carefully distilled by our latest generation of craftsmen, Buffalo Trace is rich, complex and smooth in taste – but we think you'll enjoy it because it's just damn good whiskey.
