Standard Service Call (diagnose wire break) Cost	Remove and Replace LED Fixture	Decorative LED			
Replace photocell Service Call for Pole replacement Emergency Service call for Pole replacement only (less than 24HR notice) Replace Poles/support structures (wood) Replace Poles/support structures (aluminum) Replace Poles/support structures Decorative Standard pole Replace Poles/support structures Decorative Standard Service Call (overhead wire only) Cost Emergency Service call for overhead wire only (less than 24HR notice) Replace Overhead wire (cost per ft.) Standard Service Call (underground wire only) Cost Emergency Service call for underground wire only) (less than 24HR notice) Replace underground wire -excavation and repair (cost per linear ft.) cost should include backfill and restoration Service call for directional drilling Cost for directional drilling of conduit (per linear ft.) Standard Service Call (diagnose wire break) Cost	Replace fuse	Standard/Decorative pole			
Service Call for Pole replacement Service Call for Pole replacement only (less than 24HR notice) Replace Poles/support structures (wood) Replace Poles/support structures (aluminum) Standard pole Replace Poles/support structures Decorative Standard pole	Replace ballast	Standard/Decorative pole			
Emergency Service call for Pole replacement only (less than 24HR notice) Replace Poles/support structures (wood) Replace Poles/support structures (aluminum) Standard pole Replace Poles/support structures Decorative Standard Service Call (overhead wire only) Cost Emergency Service call for overhead wire only (less than 24HR notice) Replace Overhead wire (cost per ft.) Standard Service Call (underground wire only) Cost Emergency Service call for underground wire only) Cost Emergency Service call for underground wire only (less than 24HR notice) Replace underground wire -excavation and repair (cost per linear ft.) cost should include backfill and restoration Service call for directional drilling Cost for directional drilling of conduit (per linear ft.) Standard Service Call (diagnose wire break) Cost	Replace photocell				
Replace Poles/support structures (wood) Replace Poles/support structures (aluminum) Replace Poles/support structures Decorative Standard pole Standard Service Call (overhead wire only) Cost Emergency Service call for overhead wire only (less than 24HR notice) Replace Overhead wire (cost per ft.) Standard Service Call (underground wire only) Cost Emergency Service call for underground wire only) Cost Emergency Service call for underground wire only (less than 24HR notice) Replace underground wire -excavation and repair (cost per linear ft.) cost should include backfill and restoration Service call for directional drilling Cost for directional drilling of conduit (per linear ft.) Standard Service Call (diagnose wire break) Cost	Service Call for Pole replacement	Standard pole			
Replace Poles/support structures (aluminum) Replace Poles/support structures Decorative Standard Service Call (overhead wire only) Cost Emergency Service call for overhead wire only (less than 24HR notice) Replace Overhead wire (cost per ft.) Standard Service Call (underground wire only) Cost Emergency Service call for underground wire only (less than 24HR notice) Replace underground wire -excavation and repair (cost per linear ft.) cost should include backfill and restoration Service call for directional drilling Cost for directional drilling of conduit (per linear ft.) Standard Service Call (diagnose wire break) Cost	Emergency Service call for Pole replacement only (less than 24HR notice)	Standard pole			
Replace Poles/support structures Decorative Standard Service Call (overhead wire only) Cost Emergency Service call for overhead wire only (less than 24HR notice) Replace Overhead wire (cost per ft.) Standard Service Call (underground wire only) Cost Emergency Service call for underground wire only (less than 24HR notice) Replace underground wire -excavation and repair (cost per linear ft.) cost should include backfill and restoration Service call for directional drilling Cost for directional drilling of conduit (per linear ft.) Standard Service Call (diagnose wire break) Cost	Replace Poles/support structures (wood)	Standard pole			
Standard Service Call (overhead wire only) Cost Emergency Service call for overhead wire only (less than 24HR notice) Replace Overhead wire (cost per ft.) Standard Service Call (underground wire only) Cost Emergency Service call for underground wire only (less than 24HR notice) Replace underground wire -excavation and repair (cost per linear ft.) cost should include backfill and restoration Service call for directional drilling Cost for directional drilling of conduit (per linear ft.) Standard Service Call (diagnose wire break) Cost	Replace Poles/support structures (aluminum)	Standard pole			
Emergency Service call for overhead wire only (less than 24HR notice) Replace Overhead wire (cost per ft.) Standard Service Call (underground wire only) Cost Emergency Service call for underground wire only (less than 24HR notice) Replace underground wire -excavation and repair (cost per linear ft.) cost should include backfill and restoration Service call for directional drilling Cost for directional drilling of conduit (per linear ft.) Standard Service Call (diagnose wire break) Cost	Replace Poles/support structures	Decorative			
Replace Overhead wire (cost per ft.) Standard Service Call (underground wire only) Cost Emergency Service call for underground wire only (less than 24HR notice) Replace underground wire -excavation and repair (cost per linear ft.) cost should include backfill and restoration Service call for directional drilling Cost for directional drilling of conduit (per linear ft.) Standard Service Call (diagnose wire break) Cost	Standard Service Call (overhead wire only) Cost				
Standard Service Call (underground wire only) Cost Emergency Service call for underground wire only (less than 24HR notice) Replace underground wire -excavation and repair (cost per linear ft.) cost should include backfill and restoration Service call for directional drilling Cost for directional drilling of conduit (per linear ft.) Standard Service Call (diagnose wire break) Cost	Emergency Service call for overhead wire only (less than 24HR notice)				
Emergency Service call for underground wire only (less than 24HR notice) Replace underground wire -excavation and repair (cost per linear ft.) cost should include backfill and restoration Service call for directional drilling Cost for directional drilling of conduit (per linear ft.) Standard Service Call (diagnose wire break) Cost	Replace Overhead wire (cost per ft.)				
Replace underground wire -excavation and repair (cost per linear ft.) cost should include backfill and restoration Service call for directional drilling Cost for directional drilling of conduit (per linear ft.) Standard Service Call (diagnose wire break) Cost	Standard Service Call (underground wire only) Cost				
backfill and restoration Service call for directional drilling Cost for directional drilling	Emergency Service call for underground wire only (less than 24HR notice)				
Service call for directional drilling Cost for directional drilling of conduit (per linear ft.) Standard Service Call (diagnose wire break) Cost	Replace underground wire -excavation and repair (cost per linear ft.) cost should include				
Cost for directional drilling of conduit (per linear ft.) Standard Service Call (diagnose wire break) Cost	backfill and restoration				
Standard Service Call (diagnose wire break) Cost	Service call for directional drilling				
	Cost for directional drilling of conduit (per linear ft.)				
Emergency Service call for diagnosing wire break (less than 24HR notice)	Standard Service Call (diagnose wire break) Cost				
	Emergency Service call for diagnosing wire break (less than 24HR notice)				
Cost per hour to diagnose a wire break or short	Cost per hour to diagnose a wire break or short				

Above pricing should include the cost of diagnostics

=\$75 + \$100 (5X20) + \$15 = \$190 labor

= \$5+\$50(10X5)=\$55 X 10% = \$60.5 materials

Total bill =\$250.50

Contractor pricing Standard Service Call \$75

Replace Bulb \$20 Replace Fuse \$15

Materials Bulb \$10
