THIS AGREEMENT is entered into as of this [__th day of __, 20__] ("Effective Date") by and between CLEVELAND STATE UNIVERSITY ("CSU"), a state-supported institution and instrumentality of the State of Ohio, with a principal address at 2121 Euclid Ave., Cleveland, Ohio, 44115 ("Licensor") and Client, City, ST Zip ("Licensee").

WHEREAS, Licensee wishes to license the Curatescape software program (the “Licensed Program”) for the purpose of implementing App Name and CSU desires to license this software to licensee.

NOW THEREFORE, the parties hereto agree as follows:

1. GRANT OF LICENSE

Subject to the terms and conditions of the Agreement, CSU grants to Licensee a non-exclusive, non-transferable, limited license to install, run, use, operate, and perform (collectively “use”) the Licensed Program for the purpose of implementing App Name. Licensee may not, however, transfer or sublicense the Licensed Program to any third party, in whole or in part, in any form, whether modified or unmodified.

Object Code. The license granted herein applies only to the object code version of the Licensed Program. Licensee shall have no rights whatsoever with respect to the source code for the Licensed Program.

Ownership. All right, title and interest in and to the Licensed Program, including without limitation, copyrights and trade secrets, are, and shall at all times remain, the exclusive property of CSU. Licensee shall have no right therein except the expressly limited license rights granted herein.

Licensee may publish and/or write content that will be published and/or hosted by CSU, or its
agents, through the Licensed Program on behalf of Licensee and Licensee shall own any copyright to such content. Licensee shall have the sole responsibility for obtaining proper copyright and other permissions pertaining to App Name, including historical content and materials.

Omeka is a freely available open-source software. All use of the Omeka software not relating to the program coding of App Name, an instance of Curatescape, remains consistent with the standard Omeka license agreement.

Non-transferable. Licensee may not sell, license, sublicense, rent, or distribute any Licensed Program or make it available for use on a “time sharing” basis.

Reservation of Rights. Licensee acknowledges that all rights with respect to the Licensed Program, whether now or hereafter existing, which are not expressly granted to Licensee are reserved to CSU. Licensee shall not modify or create any derivate, compilation, or collective work involved the Licensed Program. Licensee shall take appropriate action by instruction, agreement, or otherwise with any persons permitted access to the Licensed Program so as to enable Licensee to satisfy all its obligations under the Terms and Conditions.

2. TERM

The license granted hereunder shall continue for a period of two (2) consecutive years from the Effective Date of this Agreement (“Initial Term”) unless and until terminated pursuant to Article 4 hereof and subject to Licensee's proper performance of its obligations hereunder. At the end of the Initial Term, the license will automatically renew for successive one (1) year periods (“Renewal Term”) unless Licensee provides CSU thirty (30) days advance written notice prior to the commencement of the Renewal Term.

3. TERMINATION

CSU may terminate this Agreement if Licensee is in default of any of the terms and conditions of this Agreement and fails to correct such default within thirty (30) days after written notice thereof from CSU.
4. LICENSE FEE

Licensee shall pay, upon delivery of the Licensed Program, a license fee of seven hundred and fifty (____) U.S. dollars per year or one thousand and five hundred (____) U.S. dollars for the entire two year term of this Agreement. The license fee is payable annually or in full at the end of the two year term. License fees do not include any shipping, duties, bank fees, sales, use, excise or similar taxes due. If Licensor is required to pay any such amounts, Licensee shall reimburse Licensor in full.

5. SOFTWARE MAINTENANCE

Licensee shall pay, upon delivery of the Licensed Program, a software maintenance fee of seven hundred and fifty (____) U.S. dollars per year or one thousand and five hundred (____) U.S. dollars for the entire two year term of this Agreement. The fee includes maintenance of the core software, and its compatibility with other software and various operating systems with which it interacts.

6. TECHNICAL SUPPORT

Licensor will provide to Licensee the following technical support with respect to the Software:

If Licensee is not satisfied with the correction, then Licensee may terminate this Agreement, but without refund of any amount paid to Licensor or release of any amounts due Licensor at the time of termination.

(ii) In the case that Licensee has technical questions in the use of the Licensed Program during the first year of this Agreement, Licensee may submit those questions to Licensor. Licensor
