All new accounts are subject to PFCU standard account membership terms and disclosures. Eligible account types are Basic and CU Succeed. Referral coupon must be submitted at the time the new member opens the account. New members that open accounts online must submit their coupon within seven days to be eligible for the referral bonus. Referring and new members must be active (by conducting at least six transactions) and remain in good standing in order to receive incentive in 90 days from the date of new member's account opening. Existing primary members and joint owners opening a new membership do not qualify as a new member. Former members qualify as a new member provided their previous account was closed six months prior to the date of reopen. A member may not engage in fraudulent activity to earn a referral bonus. Member referral bonuses are taxable dividends and will be reported on IRS Form 1099-INT. The first member who refers an eligible new member will receive the referral bonus. PFCU may modify the terms of the referral program without prior notice by modifying the referral program rules. PFCU reserves the right to end this program at any time.
