

Sample Gift Lists/Poems

Below are the Gift Lists we find are most popular. Should you wish to use a different poem,
Please feel free to email this over to us with your order form.

1) We haven't got a wedding list,
the reason we'll explain,
is to save you all the hassle as shopping is a pain,
We've been together for a while,
And have most things we need,
So vouchers, cash or cheques would be gratefully received,
The choice is yours, so please don't fuss,
the most important thing of all,
Is that you come and celebrate with us!
But, if you'd like to contribute,
to our soft & cosy rooms,
Our heartfelt thanks go out to you
-with love the bride & groom

2) For a couple of years we've lived in sin,
we have a toaster, a kettle and a stainless steel bin,
saucepans and towels we have many
corkscrews and flannels we don't need any,
we just want you with us to celebrate our day,
but if you insist on a gift anyway,
what we'd really like is a gift of money,
we hope you don't think we're being funny!
We'll put it all together and buy something that's best,
as a reminder of our day and our wonderful guests!

3) So what do you get
For the Bride and Groom
Whose house has things
In every room?
When shopping for a present
Please, don't be rash
As the option is there
to just give cash
We hope that you don't find
Our request to be funny
But the decision is yours
To buy a present, or just give money

Now you have the choice
Please do not fuss
the most important thing of all
Is that you come and celebrate with us

4) We hope that you will come along
On this special day,
To celebrate our union
In a very special way.
Together we have been for a while now,
We collected all our household goods
Before we took our Vows.
To make it easy for you
And avoid the shopping hell,
We thought that we would have
A little 'Money Well'.
So please don't be offended at our request,
Just seal it in an envelope And come and be our guest

5) IF you were thinking of giving a gift
To help us on our way,
A gift of cash towards our honeymoon
Would really make our day,
However if you prefer to purchase a gift,
Feel free to surprise us in your own way.
The most special gift is that you are with us
To celebrate on our special day

6) The love of family and friends
Bring happiness that never ends
Each one of you as guests we'll treasure
You'll fill our day with so much pleasure
While wedding presents are so nice
Your presence really will suffice
But if a gift is on your mind
Your contribution would be kind
Each welcome gift will help it grow
But the greatest gift is that you'll say
You'd love to share our wedding day

7) We know it's not tradition, it's not the way it's done,
But instead of a wedding list, we'd like a bit of sun
We've lived together quite a while,

And all the bills are paid.
We've got our plates, our pots and pans,
Our plans have all been made.
We would appreciate your help though,
To send us on way.
A contribution to our honeymoon,
In a land quite far away.
But, most importantly, we request,
You come to our wedding as our guest,
To share with us our special day,
and have some fun along the way

8) We are sending out this invitation
In hope you will join a celebration
But if a gift is your intention
May we take this opportunity to mention
We have already got a kettle and toaster
Crockery, dinner mats, and matching coasters
So rather than something we have already got
We would appreciate money for our
Honeymoon pot, but most importantly we
Request that you come to our wedding as our guest

9) We've been together for a few years
And have a lovely home
There are not too many items now
We don't already own
So please don't be offended
Or think we're being funny
But if your thoughts were on a present
We would much prefer the money
But the choice is really up to you
And all we'd like to say
Is that we hope you can join us
On our special day
