WEDDING PROGRAM WORDING EXAMPLES

On this page, you'll find some examples of common ways to word and format your wedding programs. Click on any image to see a larger picture. Because every wedding is unique, the way a program is composed is unique as well. When you have your wedding programs typeset and printed by the Wedding Centre, we will work with you one-on-one to determine the best way to present your particular details. And we'll send you a FREE PDF proof of your program to make sure it's just the way you want it! Click here for [general information about wedding programs](#), and click here to [see the different styles of program covers](#) available. If you have any questions about wedding programs, just [email us](#) and we'll be happy to help!
