Goals

- I desire to work in an environment that will allow me to bring in my experience and excel in my strong areas such as hardworking, dependability, high quality and efficiency in work both spraying and brushing and rolling, loyalty and ability to always be up for and willing to overcome a challenge in any situation. I am always looking to learn new things and accomplish every job on time or early done so to the highest dedication of perfection, safety so that the job is done the first time.
