SUMMARY

I'm a motion graphic designer/ animator with over 10 years experience in digital media ranging from digital HTML5 banners, animation to motion graphics for both – web and broadcast I bring a variety of skills to the table. I enjoy the process of translating ideas and concepts into visual design.

I am very responsive to my client's needs. As a freelancer I can work remotely for clients based anywhere.

During my career I have worked on many projects for brands such as: Guinness, Dulux, Mama vodka, Bacardi Limited, Digital Podge, Aviva, Alcatel, 3 (three), Honda, Hyundai, Jaguar, SAS, Airline Payments, TransferGo, Post Office, Pizza Hut, Universal, Barclays, Intel, Acer, Gucci, Google, Motorola and a few others.

SKILLSET: After Effects animation, motion graphics & compositing; Adobe Edge (HTML5) + Javascript; Flash animation and design; Actionscript coding; Photoshop.

Also, don't forget to take a look at my portfolio.
