

# Elevator Speeches!

What is an elevator speech you may ask? Well, have you ever been representing FCCLA somewhere and you got on an elevator and someone asks you, “What is FCCLA?” What do you say? How do you describe the ultimate leadership experience in such a short amount of time? An elevator speech is your answer! But what should you put in your speech? Your FCCLA Advisers have created several great answers! The following are examples of FCCLA elevator speeches:

---

- FCCLA is a student leadership organization that is family focused allowing opportunities for community service, fellowship, recognition, and personal growth.
- Family, Career and Community Leaders of America, or FCCLA, is a student led leadership program for 6<sup>th</sup>-12<sup>th</sup> Graders focused on Family and Consumer Sciences and developing personal and employability skills.
- FCCLA stands for Family, Career and Community Leaders of America. It is a family focused national student led organization based on Family and Consumer Sciences Education.

- FCCLA is a student led organization with a family focus that provides leadership development, personal growth, career preparation, and community involvement.
- FCCLA is the only in-school student led organization with the family as its focus where students develop leadership and career related skills, teamwork, and give service to their community while having fun!
- FCCLA is a student led organization that focuses on the family and community. It involves and improves problem solving abilities, communication skills, and career development with recognition through competition. It provides students with all kinds of opportunities and allows them to have fun!
- Family, Career and Community Leaders of America is a student leadership organization that focuses on the family. It includes building relationships in careers and in the community, as well as it gives members opportunities for developing 21<sup>st</sup> Century skills, having fun and traveling.

- FCCLA is a national student led organization that focuses on personal, family, community and career involvement through community service and classroom learning.
- 

Your advisers have created several great examples! Now all that is left to do is for you to come up with your own to use! You may use one of these or create something completely original! I hope that whatever you create, you can take it and.....

**Ride your**  
**Elevator**  
**Speech**  
**To the top!**
