

## **Senior Consultant, Pharmacist**

---

### **Job Description**

Gorman Health Group, a full service Government Programs professional services and software company, is seeking consulting pharmacists to join its team of industry leaders. We seek individuals with extensive experience in Medicare for both full-time and contract work. Typical projects include applications, implementations, audits, strategy sessions and Part D compliance work.

---

### **Skills**

- Health plan, PBM or Centers for Medicare & Medicaid Services (CMS) experience in Medicare Part D required.
- Benefit administration (translating Plan Benefit Package into adjudication coding) and testing expertise.
- Project management and team leadership experience.

### **Duties & Responsibilities**

- Serve as a resource for team members and clients on various projects involving topics such as, but not limited to, compliance, operational processes, management analysis, pharmacy and medical management.
  - Identify and define problems, collect relevant data, establish facts, and draw valid and innovative conclusions.
  - Interact with the client's decision-makers, working cooperatively to achieve the project goals.
- 

### **Company Description**

Gorman Health Group (GHG) is a national health care and federal programs consultancy staffed by subject matter experts, former health plan executives and seasoned regulators.

Our mission is to improve the quality of health care offered to the nation's consumers.

For more than 15 years, hundreds of clients serving millions of health care consumers have leveraged GHG's strategic counsel and technology solutions to achieve growth objectives, maintain compliant operations, improve market position, advance profitability and serve beneficiaries.
