1. Describe your high school. What kinds of students went to your school? Where was it located? Did your high school have a “reputation”? Would recommend other students attend your alma mater?
2. Do you feel you were prepared academically for college? Did your high school assist with the college application process, or did you do it alone?
3. Are you a first generation college student? (Are you the first person in your immediate family to go to college?)
4. What do you believe is the best way to connect with a high school student?

5. Do you agree or disagree with the following statement? Why or why not?
“Everyone is given the tools to achieve a college degree. Whether one chooses to use the tools is up to the individual. “

6. What has helped make Ohio State feel like home?

7. What does ‘access to higher education’ mean to you? It is okay if you have no idea.

Please read the following statement and initial:

I understand that Senior to Senior is a commitment from 1:30pm-4:00pm on the second Thursday of every month. If chosen as a mentor, I will do my best to attend each meeting and Groveport Madison High School visit. My presence is important and students will come to count on me, whether they openly tell me or not. I am confident in my abilities to be a responsible, mature, and helpful role model.

INITIAL:
