## CRIMINAL CHECK

All convictions, including spent ones, must be disclosed. By virtue of the Rehabilitation of Offenders Act 1974 (Exceptions) Order 1975, the Rehabilitation of Offenders Act 1974 does not apply in relation to employment of a nanny. This is because the care and supervision of persons under the age of 18 is involved.

Hattie's will perform an Enhanced Disclosure Search of your local police record. This will reveal all pending, current and spent convictions as well as details of any cautions, reprimands or final warnings. Disclosure also indicates whether an individual is banned from working with children.

I have a current CRB enhanced disclosure certificate **YES / NO**

I have not got a current certificate but agree to Hattie's carrying out this search. **YES / NO**

**( IMPORTANT : If you are not a UK resident we will require a Police check from your country - you need to request this yourself as we are not permitted to do so).**

### Declaration:

I certify that the information given on this form is true and correct and give permission for Hattie's to verify any references supplied, if required. I agree to treat all information given to me regarding vacant positions as confidential and agree not to pass names and addresses of potential employers to any other person.
