

# Jungle BINGO Picture Cards

**Jungle Bingo** is just like regular bingo except instead of calling out numbers, you will call out the names of jungle animals and objects.

**This file includes:**

- 25 picture cards
- 16 bingo cards

**Preparation:**

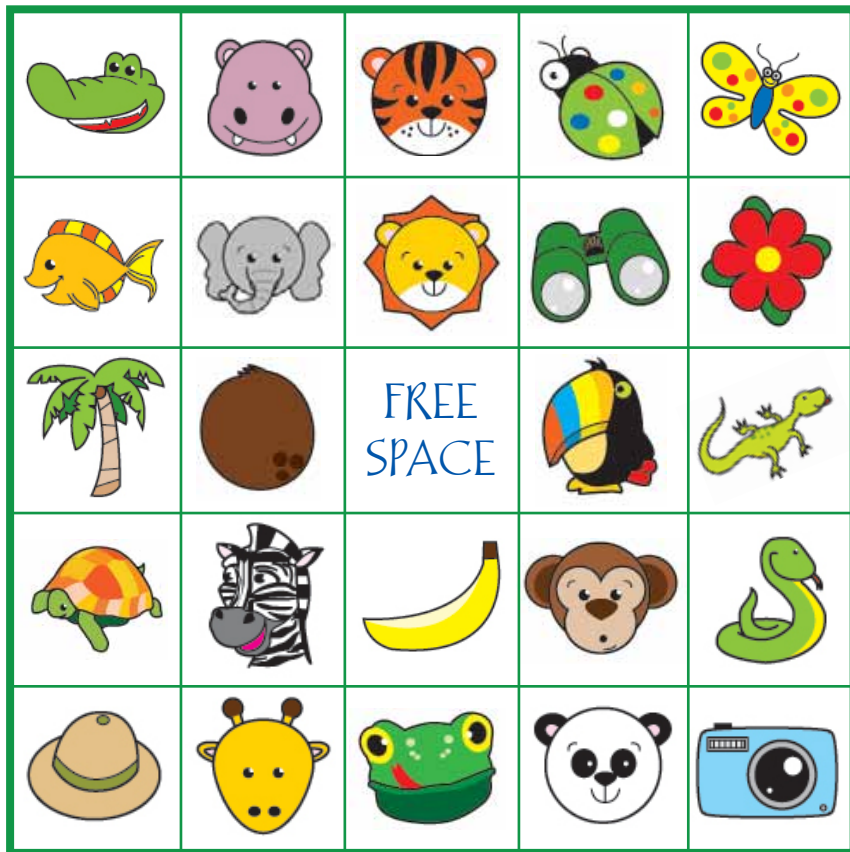

1. Cut out the 25 picture cards on this page and mix them up in a paper bag.
2. Print out the 16 Jungle Bingo Cards on the following pages.
3. There are two bingo cards on each sheet of paper for you to cut in half.
4. Give each child 20 pennies to use to cover up the pictures.

**To Play:**

1. Draw one picture card from the bag and read its name out loud (for example "lion").
2. Then ask the children to cover the matching image on their bingo card using their pennies.
3. The first person to match five-in-a-row up, down or diagonally wins a prize!
