

VOCATIONAL SERVICE LEADERSHIP AWARD

The Vocational Service Leadership Award is an international award of Rotary International and recognizes a Rotarian who have made a significant impact in advancing vocational service, but do not hold a district or international leadership position.

This award is a wonderful opportunity for your club to nominate a Rotarian who is actively committed to vocational service and may otherwise go unrecognized.

Please note that only one Rotarian per district may receive the Vocational Service Leadership Award each year and Rotarians may only receive this award once.

An individual may receive this award only once. Current, incoming, and past district governors, and current, incoming, and past RI directors are ineligible.

Candidates must have exhibited significant support of vocational service by fulfilling each of the following criteria:

- Exemplifying integrity and high ethical standards in their vocation and in Rotary;
- Using their vocational talents to serve the community;
- Personally undertaking at least one of the following:
 - Mentoring a young person to help that person succeed in vocational pursuits
 - Organizing a vocational service discussion or group workshop to inspire others to take action
 - Teaching other club members about their vocation by participating in a classification talk
 - Participating in a business networking event that introduces non-Rotarians to the principles of vocational service
 - Implementing an activity to celebrate Vocational Service Month in October
 - Participating in another vocational service project that meets local needs

Nomination must include the Members first and last name, Member ID and Club ID

Please forward your nomination by E-Mail to the District Vocational Chair Gavin Dallow at gavin.dallow@bigpond.com

Nominations close on October 15.
