Preschool Classroom Newsletter 2016

The Preschoolers have had a very busy winter and look forward to the spring and summer.

The children really enjoyed planting seeds for Mother's Day. They were interested in learning how they grow and liked the new song they learned.

Composed by Holly

Sung to: Bicycle Built For Two

Preschoolers, preschoolers

How does your garden grow?

With rain and sun

And oxygen and seeds

Planting in a row. (repeat verse)

NO FOOD OR DRINKS

are to be brought
into the centre.

We are teaching letters and numbers each week. The children get excited naming off different things that start with the letter we are doing. They also enjoy counting different items around the room for the number of the week.

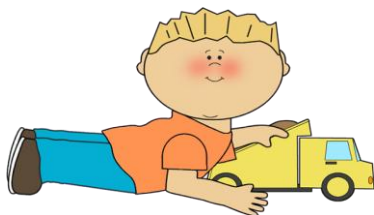

TOILET TRAINING

Please feel free to speak with the Preschool Classroom staff if your child is showing interest in toilet training. We'll be happy to help your child succeed.

The sandbox is finally open and the children love exploring, building and being social with their friends.

SHOW & SHARE The children love to participate in Show & Share, check our classroom calendar for dates. Please bear in mind Show & Share items must pose no hazard to the children (choking, sharp, etc.) Please refrain for bringing toys on other days to ward off possible broken or lost items.
