### CALANDER OF ACTIVITIES

#### April -----

- Preparation of Annual Action for the state in consultation with NSS Regional Centre. Similar Plan may be prepared at the University & College level for implementation during the every year. While preparing the plan the role of various non-Governmental Organizations working in that area as youth activism may also be roped in so that students while perusing their studies take up community/social development activities in the area and society around them. Many such NGOs are working where NSS volunteers can be attached as per their interest and like-minded friends. There is wide variety of areas to work like Eco-Tourism and sustainable development, empowerment of youth through developing entrepreneurial skills to uplift the marginalized population by formation of self-help groups and to present ideas that impact people and generate profits for them. There are many such example of various NGOs working for the social cause through involvement of young student volunteers. All Universities will maintain a list of
