Congratulations STLP!

Seven students place at the regional STLP competition

In the photo are the following: Cameron Vincent, Caitlyn Tincher, Kaylee Purvis, Jayden Adkins, Dakota Davis, Logan Routt, and Stone Barrett

Congratulations to our STLP! They competed at the regional level on Thursday, November 17. Here are the results:

Logan Routt received a perfect score from the judges in the service event, Production Company. He has been invited to participate at state.

Stone Barrett received a perfect score for his event, Media Arts. He has also been invited to state.

Two students competed in Scratch programming and were invited to compete at the state level--Dakota Davis and Jayden Adkins.

Three students created a showcase, Magnificent Multimedia Creations, that received a score of 96/100. They were invited to compete at the state level. The students are Caitlyn Tincher, Kaylee Purvis, and Cameron Vincent.

Hunter Vance competed in the junior engineering service category. He has been chosen as an alternate for the state level.

FBLA WORKS WITH CHRISTIAN SOCIAL SERVICES

The BCHS Future Business Leaders of America members have teamed up with the Christian Social Services to collect canned goods and non-perishable food items for the Bath County community. So far, the club has already collected over 100 food items. They are accepting items through December 15.

Order your copy of the 2017 yearbook today! If you order by November 1, your name will be put into a drawing for a \$25 gift card. Books are \$55 each before December 31. See Mrs. Robinson for further details.

WHAT'S HAPPENING IN THE CLASSES?

MULTIMEDIA PUBLISHING

Students in the multimedia classrooms have been working a great deal with photography, including using advanced editing features.

DIGITAL LITERACY

Many students continue to obtain their MOS certification in Excel and PowerPoint. Check out the December newsletter for an updated list of certifications and group photo!

FINANCIAL LITERACY

Students in Mrs. Robinson's class enjoyed a scavenger hunt in the hallway during their credit card unit! Mrs. MacKenzie's students enjoyed their credit card Bingo game!

Students are finishing up a unit on insurance (life, auto, health, disability, and home owner's/renters insurance).

Next, the Financial Literacy students will be updating their resumes, completing job applications, and participating in mock job interviews. That's always an exciting unit!

Why Get MOS Certified?

Demonstrate that you have the skills needed to get the most out of Office by earning a Microsoft Office Specialist (MOS) certification in a specific Office program. Holding a MOS certification can earn an entry-level business employee as much as \$16,000 more in annual salary than uncertified peers.

(<https://www.microsoft.com/en-us/learning/mos-certification.aspx>)

FBLA and STLP practice is being held on Mondays in Mrs. Robinson's room until 5:15 p.m.

FBLA practice is also being held on Thursdays in Mrs. MacKenzie's room until 5:15 p.m.
