

Appletree Preschool May Newsletter

Dear Parents,

As we begin the month of May, we hope we will all be able to enjoy warmer, dry weather and many beautiful spring days.

We have had a busy April. During the month of April, the children had a lot of fun, engaging in a variety of activities. Some of our fun themes included Eric Carle books, farm and zoo animals and the fish project. In our fish project we discussed how fishes come in different shapes, sizes and colors. We did a lot of math activities such as counting fish which we caught in the sensory table, fish patterning, putting fish in size order, and sorting fake fish by size and color.

In April, we had our spring concert. We would like to thank all the parents for having joined in our spring cheer.

Our themes for May will include Mother's day, gardening, vegetables and fruits. Our toddlers will work on different nursery rhymes and books.

Happy mother's day to all moms.

Sincerely,
Appletree Preschool

Summer is around the corner!

Our eight week long Appletree Summer Camp will start on Tuesday, July 6th. We are accepting all campers, from toddler through 5th grade.

Session I: July 6 - July 30

Session II: August 2 - August 27

We are accepting enrollments for our summer camp program. If you or your friends are interested in our summer camp program, please let us know. Our summer camp fills quickly.

If we receive your child's/children's camp application before May 14th, you will be discounted on your tuition (%10 off from the first payment amount).

Reminder!

As a state regulation our parents have to sign their child in/out every day. Please do not forget, it's very important and be sure to **use your signature**.

Dance class is coming soon...

We are going to add a new extra curricular activity to our program. Our new creative movement class introduces our little ones to the exciting world of dance! This class consists of different dance movements, coordination, motor skills and rhythm.

Dance class will be run by Ms. Deana. She is a competitive dancer for over 22 years, is an award winning choreographer and has been an outstanding dance instructor. Ms. Deana currently teaches creative movement, ballet, tap, jazz, hip hop, and musical theater at a Bergen County dance school, ages 3-18, focusing primarily on children from Pre-K to 7 years of age.

We will send detailed information in the following weeks. Please do not forget to check your child's cubby daily.
