

Arete Newsletter

Virtue, Valor, Excellence

- Arete would like to GO GREEN! We are looking for donations of plates, bowls, cups, and silverware that are plastic and can be washed after use. We also are interested in cloth napkins and kitchen washcloths/towels. Hopefully this will reduce our use of paper products!
- NO School, Monday, 9/5 and Tuesday, 9/6 for the Labor Day Holiday!
- Please check your child's agenda for weekly due dates. If a student's work is not turned in by the due dates, students are expected to stay afterschool to complete work. Parents will be contacted regarding day and time.
- If you have not purchased your child headphones or ear buds, please do so ASAP. These are required for many technology resources used daily. We will always accept donations to restock our extras :) which are currently only 3.
- Students may bring snack and WATER bottles to school to have during any period of the day. Please do not send in anything other than water and healthy snacks are best! (pretzels, fruit, veggies) We will not supply snack.
- Farm 2 School Month is October! 3rd Annual Taste of South- October 3rd.
