

Special Membership Offer

On behalf of the K-Club board of Directors I want to encourage you to join K-Club. K-Club is open to ALL former athletes (also managers, and trainers with 2 years of service). Our membership level is currently over 1,000 strong and growing daily. K-Club is hosting more events and providing more benefits for both current and former student athletes than ever before but to grow we need your support. We need your participation.

For a limited time K-Club is running a membership special which includes special pricing and a beautiful letter opener with the K-Club emblem in the handle. Please return your application and payment in the enclosed pre paid envelope.

Go Hawks!
