January 2015

Dear Friends,

Graduation for Parsippany High School and Parsippany Hills High School Class of 2015 is fast approaching – a time of celebration, high hopes and lasting memories.

For over 27 years, our committee has planned an all-night, substance-free party for PHS and PHHS graduates. These events boast a variety of activities and entertainment including a DJ, hypnotist, games, and much more. In addition, food is served throughout the night. As always, adult volunteers will chaperone.

Project Graduation is being planned to ensure a fun and safe evening for all 2015 graduates. Historically, it has been a graduation gift to them from the community. It is only through the generosity of parents, townspeople, and our surrounding business community that we have been able to host Project Graduation.

In keeping with prior years, our goal is to raise \$30,000 - \$40,000, to cover the expenses associated with Project Graduation. The estimated cost of this project is about \$125 per student, which includes approximately 450 students. We hope you will join with your fellow members in the business community and help us continue this tradition by making a donation to "*Parsippany Project Graduation.*" Please consider sponsoring a student for \$125. Any amount contributed will be received with much gratitude.

We appreciate your generosity and would like to publicly thank you. So, please be sure to look for your name in the "Project Graduation Sponsors" pages in the High School Graduation Programs, and on the "Project Graduation Thank You Page" in the local *Parsippany Newspaper*, which will run sometime during the week of graduation. Donations received prior to May 1st, will be included (this deadline is due to setup and printing requirements).
