

Academic Reference Letter for Masters Programs
(Major Details Changed)

Dear Sir / Madam:

It is my great pleasure to write this letter in support of Person C's application to your university.

I instructed Person C for the course Class Topic Y. She was unquestionably one of the most capable students in the class, and her work in the class consistently reflected a level of insightfulness and attention to detail that is unique to Person C. Her reports were always prepared on time, and she stood out among her peers for her eagerness to engage in the process of learning and discovery. Simply put, Person C was a true pleasure to have in class.

Person C was happy to voice her own viewpoints during class discussions, and often asked me for further clarification of material I covered in lecture. In addition to her confidence and eagerness to learn, Person C also made a good impression on me due to her pleasant personality. Certainly, she seemed to consistently get along well with classmates and teachers, and I imagine that she will do the same when she is in your institution.

Based on my observation of her abilities, I strongly believe she has the potential to be an outstanding student at your university. I therefore recommend her for admission to your master's program. Please do not hesitate to contact me for more information.

Yours sincerely,

Professor F
