Dear Mr. James,

RoseRock Health Club is one of the premier fitness facilities in Tulsa. I should know; I am one of your most enthusiastic members.

I am also an entrepreneur, like you. I own the Elaganz Salon and Spa five miles away from the health club, where we have a thriving clientele of men and women who come to us for hair styling, manicures and pedicures, massages, and facials. We have outgrown our current location and I have recently been shopping for new opportunities.

I created this proposal to describe a business proposition that is to our mutual benefit. I am aware that the RoseRock Health Club has unused space on the second floor. I believe that space is the perfect size for a new Elaganz Salon and Spa. We share the same customer base, and adding a spa to your facility would increase business for both of us.

Please review the enclosed materials, and then let's schedule a meeting to discuss this wonderful opportunity.

I will speak to you soon.

Sincerely,

Charleese Elaganz

### Description

By leasing space in the health club for us to open a salon and spa your health club will be making additional revenue on currently unused space as well as increasing the benefits to your clientele and expanding your membership.

# Opportunities

RoseRock Health Club and Elaganz Salon and Spa have a unique opportunity to form a partnership that will immediately benefit both parties.

*“Your members will want to spend the whole day to pamper themselves.”*

- **Elaganz Salon and Spa will add a note of luxury to your health club**

Your members go to the health club for a good exercise workout. With Elaganz offering services there, your members will want to spend the whole day to pamper themselves.

- **Elaganz Salon and Spa will bring new members to your club**

Some professionals don't want to join a health club if they can't leave looking as good as they did when they entered. These people are more likely to join a health club if they know they can take advantage of hair styling and other beauty services on the premises.

- **Elaganz will pay for your unused space.**

The space that is currently going to waste in your facility would be perfect for our use and would bring you immediate monthly revenue.

- **Joint advertising will be more effective**

We can share advertising and marketing expenses. Our clients will become yours and vice-versa.

## Summary

This is the perfect partnership. Let's get started as soon as possible.

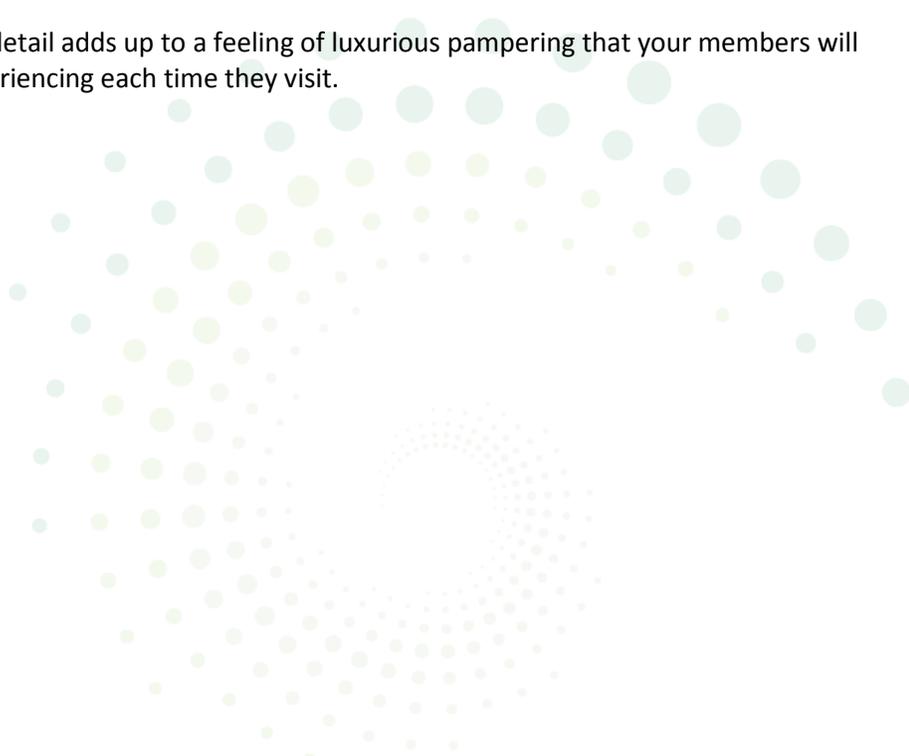

Partnering with Elaganz Salon and Spa will add an element of luxury to your health club memberships. Elaganz provides the following services that your members can take advantage of in an all-inclusive location: professional massage services, a variety of facial beauty treatments, manicures and pedicures, and a full range of hair styling services. See the Special Services page for details.

Our salon is always immaculate. We are the ultimate beauty professionals who specialize in pampering our clients. On entering the salon, we offer each client a gourmet chocolate, and if there's a wait, we offer coffee, tea, or water with lemon. Before they are escorted to a beauty chair, we offer all clients a freshly laundered Egyptian cotton wrap to protect their clothing. Our music consists of muted new age selections, designed to soothe the spirit and calm the restless mind. Our lighting is soft and flattering.

We know that everyone has favorite scents and products, so we offer each client a choice of shampoos, conditioners, and skin lotions. Our employees wear only unscented products so they do not interfere with any client's aromatherapy choices or disturb those who have sensitivities to perfumes.

Fresh unscented flowers are always displayed in our facilities. Our towels are the softest, thickest pastel Egyptian cottons.

All this attention to detail adds up to a feeling of luxurious pampering that your members will look forward to experiencing each time they visit.

## Special Services

Elaganz Salon and Spa offers the following services:

We offer a variety of facial treatments to enhance the skin, including steam treatment, lotions, exfoliation, masks, peels, and massages. In addition, we offer personalized hair removal services and eyelash and eyebrow dying.

### ● Manicures and Pedicures

Your members want to show off the trim bodies they have toned at RoseRock Health Club. Our manicure and pedicure services offer the finishing polish for a great appearance.

### ● Hair Styling Services
