

Minnesota LECET SAFETY DRIVEN Program
2016 Safety Seminars

*Tune Up Your
Safety Program*

*Great Networking
Opportunity!*

Professionally led Safety Seminars:

Minnesota LECET has sponsored a series of seven successful seminars since 2014 and returns with three more in 2016! The seminars support a LECET goal of providing educational opportunities for Signatory Union Contractors. The seminars are led by a steering committee made up of industry leading Union contractor safety and health professionals and Minnesota OSHA to support smaller to mid-sized Union contractors. Ideal contractors for the seminars do not employ full time safety representatives within their construction firm and desire additional safety training and industry best practices from leading sources.

Seminar Schedule:

January 28, 2016 – *Bringing your newer employees into your Safety Culture.*

The seminar will review best practices of Union contractors in orientating new employees into the companies' safety culture. In addition, a Laborers Training Center representative will review the importance of Safety Week, Orientation Class and General Construction in the new Apprentices first year of employment.

Meeting Location: Laborers District Council, 81 East Little Canada Road, **ST PAUL MN**
Lower Level Conference Room. 11:30 AM-1:00 PM. **FREE Lunch provided. Please RSVP.**

February 16, 2016 – *DOUBLE SESSION: Bringing your newer employees into your Safety Culture and Minnesota OSHA special presentation.*

The seminar offers a two part series covering the importance of new employee orientation and a special Minnesota OSHA presentation covering OSHA findings and the new confined space requirements. The seminar is best suited for Northern MN based contractors.

Meeting Location: Hibbing Park Hotel & Suites, **HIBBING MN**
9:30 AM – 12:30 PM **FREE Lunch provided at noon. Please RSVP.**

March 18, 2016 – *What is the new Confined Space Requirement?*

The seminar will review the new, soon to be adopted by Minnesota, Confined Spaces in Construction standard. Get an inside look from leading OSHA and industry professionals.

Meeting Location: Laborers Training Center – 2350 Main St., **LINO LAKES MN**
Lunch Room. 9:00 AM – 10:00 AM. **Please RSVP & stay for the Open House, which includes facility tours, safety presentations and lunch from 10:30 AM-1:00 PM.**
NOTE: This seminar is held in conjunction with the *Annual Contractor Open House.*

All seminars are sponsored by Minnesota Laborers – Employers Cooperation and Education Trust with NO COST to Signatory Contractor attendees. A certificate of attendance is included for each seminar. To ensure enough meeting space and adequate food service, please RSVP at (651) 429-1600.
