## KEY SKILLS

---

- Civil/Structural Engineering graduate, with a passion for environmentally sustainable construction.
- Great communicator who thrives on collaborative projects. Active member of the Illawarra Flame House that won the 2013 Solar Decathlon in Beijing, China.
- Leadership and drive: Led a team of 25 multi-disciplinary students to national semi-finals of 'Enactus' inter-university challenge.
- Accountability: I take work and extra-curricular tasks seriously and deliver my best consistently, demonstrated by sporting, voluntary work and academic achievement.
- Strong proficiency in Excel; Basic user of C and C++ and Microsoft Project.
- Proficient with CAD, Matlab, Talpac.

## EDUCATION

---

### Bachelor of Civil Engineering

2012 – Nov 2015

### University of Wollongong

- Distinction average (82%)
- High Distinctions: Roads Engineering; Geomechanics
- Distinctions: Environmental Engineering Design; Civil Engineering Design

## PROFESSIONAL EXPERIENCE

---

### Undergraduate Civil Engineer

Nov 2014 – Feb 2015

### Northrop Consulting Engineers

- Undertook 12 weeks' full time professional experience on the Northrop Summer Vacation program
- Completed rotations through Building Services, Water Infrastructure and Mechanical Services.
- Assisted Senior Civil Engineer on a project to determine the ongoing stability of concrete stabilised footpaths around a commercial/retail centre
- Shadowed Associate Engineering Consultants working on an industrial development and gained insight into flood planning, the use of fibre reinforced slabs and gantry cranes.
- Observed the preparation, function and process of tender and contract documents in action, and assisted Civil Engineers to fulfil these.

## EXTRA CURRICULAR ACTIVITIES

---

### Student Engineer

2012 and 2013

#### Team UOW Illawarra Flame House

[llawarraflame.com.au](http://llawarraflame.com.au)

- Objective: to 'design and construct' a sustainable, solar powered house, using retrofit technologies. A team of 40 students from UOW and TAFE Illawarra worked on the house which won the 2013 Solar Decathlon competition in China.
- Assisted in costing estimates for construction materials and researched appliances.
- Contributed to final product manual for the house.
- Gained amazing exposure to environmentally sustainable design principles and leading technologies used around the globe.

## ADDITIONAL EMPLOYMENT

---

### Sales Assistant

Jan 2011 – Current

#### Myer, Wollongong

- Casual position, averaging 15 hours per week, whilst studying
- Served and interacted with customers in the manchester/bedding area.
- Arranged merchandising displays for brand promotion and Myer sales periods.

## VOLUNTARY EXPERIENCE

---

### Vice President
