

## **Family Literacy Lesson Plan #4 4 Fold Family**

### **Introduction:**

A parenting activity "4 Fold Family"

### **Objectives:**

In this lesson, students will:

- Identify 4 areas in family folds
- Give one example for each area.
- Like one topic covered by another student

### **Session time:**

### **Materials:**

- Square of paper
- Pan
- (Family)

### **Methods:**

Assignment/explanation/direction

Brain storm discussion

### **Procedures:**

- 1) each student folds corners of paper to meet in middle
- 2) on each flap write: social, physical, intellectual, spiritual
- 3) under each flap write are example of activity that interests that area of family
- 4) share ideas

**Conclusion:** Student looks at areas of family strengths, gains ideas from others. There are no wrong answers.
