Letter of Recommendation

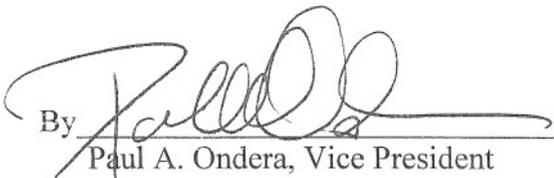

February 15, 2000

To Whom It May Concern:

DACO Construction Co., Inc. (DACO) was a subcontractor to Head, Inc. on a runway extension project at Greenville-Spartanburg International Airport in Greer, South Carolina. Our subcontract with DACO was for \$1,120,000.00. The work included the installation of navigational aids in strict accordance with FAA specifications. DACO performed the work on this project in a timely and professional manner. The work was adequately staffed and supervised and we look forward to the opportunity to work with DACO on future projects.

Sincerely,

HEAD, INC.
